With feelings

♩ = 60

ERIC BENET

the first time i fell in love was long a-go i did n't
know how to give my love at all the next time i set-tled for what felt so close but with-out
ro-mance, you're ne-ver gon-na fall. af-ter eve-ry-thing i've learned, now it's fi-nal-ly my turn, this is the
last time i'll fall in love. the first time we walked un-der that
star-ry sky, there was a mo-ment when ev-ry-thing was clear. and i did n't need to ask or
e-ven won-der why be-cause each ques-tion is ans-wered when you're near. and i'm wise e-nough to know when
a mi-ra-cle un-folds. this is the last time i'll fall in love. now don't hold back, just let me
know. could i be mo-ving much too fast or way too slow? 'cause all of my life, i've wai-ted for this day to
find that once in a life-time this is it, i'll ne-ver be the same. you'll ne-ver know what it's ta-ken
me to say these words and now that i've said them, they could ne-ver be e-nough. as far as i can see there's
on-ly you and on-ly me. this is the last time i'll fall in love. last time i'll fall in
love. the last time i'll fall in love.
