

Skeletons in the Dark

Materials Included:

- 21 Q-tips
- Black paper
- Skeleton Head

Things You Need From Home

- Glue
- Scissors

Instructions

1. Cut 12 q-tips in half and set aside
2. Cut out the skeleton head and glue it to the top of your black paper
3. Using the picture as a guide, glue 1 whole q-tip directly under the skeleton facing vertically (up and down)
4. Glue 6 q-tips halves horizontally (side to side) across the 1st q-tip for ribs.
5. Starting at the top horizontal q-tip, add 2 full q-tips to each side for the arms and 5 of the half q-tips to each "hand" for fingers
6. Starting at the bottom of the vertical q-tip, glue 2 q-tips to each side for the legs and the other 2 half tips at the bottom of the legs for the feet.
