

## Tennis Court Reservations

We are pleased to announce our new 24-hour court reservation system handled by **ReserveMyCourt.com!** This service will allow you to check on court availability and make reservations from the internet or via a toll-free telephone number. All court reservations will be handled through this system, so please follow the instructions below to begin:

1. Go to [www.reservemycourt.com](http://www.reservemycourt.com) and click on Player Sign-Up to setup a new player account.
  2. Select Green Acres Country Club as your Home Facility.
  3. Enter our Facility Code: 0402
  4. Fill in the remainder of your information and click SUBMIT.
  5. Login at [www.reservemycourt.com](http://www.reservemycourt.com) or call 1-877-ON-COURT (662-6878) anytime day or night to reserve courts.
- You may sign-up for your player account immediately.
  - All court reservations for **December 1, 2009** or later must be made using either the online or telephone systems. You can begin to make reservations for those dates immediately after setting up your player account.

Please be aware that all players may have reasonable limits on the length of reservations and can reserve courts up to 24 hours in advance. If you are reserving a court for a **challenge match** from 24-48 hours in advance, please contact the office to bypass the 24-hour limit. These limits are not applied to team captains. Therefore, JCCA or USTA captains should register with a different Facility Code. Captains should contact the office during office hours to receive their Facility Code.

### **Automated Telephone System:**

*If you'd like to be able to use the automated telephone system, you will need to fill out additional information when you register online. You will be asked for a 4-digit user code and a 4-digit PIN. Both the user code and PIN can be anything you like, but try to make them easy to remember. Either your Green Acres member number or the last four digits of your social security number would make a good user code. The PIN is simply a password so others cannot use your information.*

The flexibility of this new system allows our members to schedule courts from the comfort of their computer or via telephone. Court availability is then updated immediately via the online system. Players can choose to be emailed or texted a reservation confirmation. All court availability is updated online and can be viewed live from your computer, on your web-enabled cell phone, or at Green Acres by the sunroom on our court monitor.

**The benefits of this new system include but are not limited to:**

- Online Reservations
- Telephone Reservations
- Easy access to court availability
- Email and text confirmations
- Access to reservations 24/7
- Same day reservations via the online or phone system
- Court scheduling for leagues
- Walk-up reservations via the telephone system

If you have not yet signed up, you can still reserve courts by calling the Green Acres office during office hours for a limited time only.
