

Dear LaSalle Church of Christ,  
 Our hearts are full with the love that our LaSalle Church of Christ family has shown us over the years. We were honored and humbled by Mark's words from the Pulpit and the touching farewells from all who attended the luncheon at the Como. We were also touched by the kind words from those who bid us farewell in previous weeks. We have LaSalle in our prayers & look forward to periodic updates. We specifically pray that vibrant positive changes and growth will continue to bless the congregation. You will always be family to us & the memories will keep us close forever & beyond.

The only thing that counts  
 is faith expressing itself  
 through love.

Galatians 5:6

The way you radiate God's love  
 is something very special.

Thanks for being  
 such a bright spot  
 in my life.

We love you & may  
 God bless you.

In Christian love,

Egla & Tony

Sometime back some young fellow objected to the biblical account of creation, and informed an aged sister that he no longer accepted the Bible as true; he no longer believed in heaven; he had come to the conclusion that all matters are the result of evolutionary processes. This sister said to him that while she lacked his education opportunities, she would like to ask him a question or two: Would he please explain to her, which came first, the hen, or the egg? He thought about it a moment, smiled at such an easy question, and said that anybody ought to know that the hen was first. Of course, the hen was first. She said to him, "Well, would you please tell me where that first hen came from, since, according to your own view, it didn't grow up from a chicken, and was not hatched from an egg? How do you account for the origin of that first hen?"

His brow knitted in perplexity; and he said that he had decided his first answer was a bit hasty; he hadn't given proper attention to the question; had not thought it through. He felt sure now that, undoubtedly, the egg was first! Yes, certainly the egg was first. She said, "Do you mean to tell me that there was once a hen egg without a hen to lay it? Then in his confusion, she said this to him: "You can't even explain to me the mere existence of a hen without a God, and yet you expect me to believe in the universe without Him"

***Area-wide fifth Sunday Singing – Wow!***

The Niagara Falls church did a great job hosting the singing this past week, and special thanks to everyone from LaSalle who helped with finger food, well done! We had about 25 from LaSalle at the singing. God was praised in song and in fellowship. The host for the next 5<sup>th</sup> Sunday singing has not yet been announced but keep your ears open.

November 8<sup>th</sup> is election day. Regardless of your political choices, I want to ask the church to commit to a day of fasting & prayer on November 7. The fast will last from 8:00 am until 6:00 pm on Monday. The church is asked to pray throughout the day that God will guide this nation in doing His Will.
