

## Custodian Guardian message

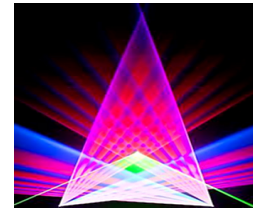

# Year 19

C. G. New Age time management

### Reflect

Enjoyed the year end fireworks. You are an, environmental vandal. You do not deserve a good year! Environmental vandalism is a threat to people's well being, survival! Environmental Vandals are held accountable, **MS R7. Replace fireworks with laser lights!**

Year 18 a pandemic ravaged humankind. A responds by nature against humans polluting the planet. **1 God** is holding humankind accountable through disease and disasters! Human callous selfishness (**breaching health rules**) increased premature dying (**genocide**). Governments and UK and US Pharmaceuticals put profit 1<sup>st</sup> neglecting human survival! Year 19 the year the good people hold people, pharmaceuticals and governments accountable:

For the Glory of **1 God** and the good of humankind!

### Year 19

Billionaires, Millionaires, wealthy families are a sign of a corrupt Anti **1 God** community! This community is missing accountability! Billionaires, Millionaires, wealthy families are an affront, an evil, a crime! Apply accountability, asset stripping, **MS R6 !**

Individuals, communities have survival threats, people, corporate unhealthy behaviors, addictions, burning, disposables, garbage, genetic modification, pollution! Causes of threats to people and community are accountable, using **MS R1-7 !** Threats are not only accountable but are stopped, ended. **Every person has a civil, moral duty to help!**

Land has to be managed much better for survival. Land that is suitable to grow vegetation cannot be build on (**suburbia ends**). Cluster homes on non fertile land replace suburban multi store mansions with useless vanity gardens and wasteful swimming pools. Graveyards are replaced with Crematorium! The building of freeway's ends! Individual transport is replaced with mass transport. Employers only employ people

that live no further than 30 minutes walk away !

1 God has a 6 day work week! Day 7 is a rest day (Fun Day)! Custodian Guardian use the same work ethic. They don't adhere to public holidays. Instead they use Fun Day themes (celebration, memorial, shame)! Leisuretime, crowd events, tourism are replaced with volunteering!

Current time management is inefficient, outdated, obsolete! C.G. NATm replaces it! Our time management: C. G. Time triangle, C.G. Calendar, Fun Day themes, Knowledge continuity! 1 calender last's a life time, doesn't need replacing every year! A person's birthday is always on the same weekday, every year! Update to C.G. NATm!

2 wheelers with or without motor are an engineering mistake! People fall off easy! As they wobble (bicycle) or speed zig zagging (motorized) through traffic. They are a hindrance, nuisance an accident to happen. In many areas they are the main cause of hospital admissions and cause of death! Motorized gangs are the main cause of crime and violence. The engineering mistake is rectified, no more 2 wheelers. Existing are crushed and recycled. Gangs are disbanded and rehabilitated! Custodian Guardian support 3 wheel transport as local short distance transport!

Nationalism is the main cause of destruction, hatred, poverty, violence (Ukraine, Russia Turkey, Kurds, Serbia, China, Taiwan,..). Custodian Guardian oppose nationalism. We support 2 tier governance! Provincial (federal) and Shire (local government). There are 7 Provinces with set borders. International waters are part of each Province! There is no migration no tourism between Provinces!

Globalization ends! 1 God send a warning by pulverizing the World Trade Center in New York! UN, G1..20, Nato, IOC, FIFA,.. multi nation-als, foreign ownership come to an end! Free trade agreements are shredded! Provincial CROn and CROn cluster replace them.

Profiteers and Unions are replaced by, wmw (**weekly minimum wage**) with multipliers! wmw is set annual by Provincial Government! Private education, healthcare are shut down and replaced with free public education healthcare! Private super is replaced by government pension based on the annual 'wmw • 1' !

In a selfish greed driven Society upon death of an individual it is common to pass on position, power, wealth. Creating an Elite of unearned undeserved position, power, wealth.

**Inheritance of position Ends.** It is replaced with promotion by work experience + further study + Seniority.

**Inheritance of wealth Ends.** It all goes into Government Revenue.

**Inheritance of power Ends.** It is replaced with freely multi candidate elected Committee.

**Leadership by 1 is tyranny (Hereditary, political) it Ends.** Leadership by elected Committee is fair.

**Hereditary Tyranny (military, political, Royal) as form of Government is not acceptable.** Tyrants must abdicate denouncing all Estate: position, power, wealth! Tyranny is replaced with multi candidate, 1<sup>st</sup> past the post freely elected representatives!

Stop reading newspapers, magazines and **Save Trees!**

**Homeless are a community failure!**

**Report Seniors abuse!**

**1000's of Years of Evil are coming to an End!**

**Be Good Cage Evil**

Western Civilizations end! For human survival Custodian Guardian Civilization takes over. **Join us! Use the LawGiver manifest as guide!**
