In Memoriam

Judy Blankenship

8-23-1939 to 3-27-2020

Judy Blankenship was born in Centerville, Iowa in 1939. She was a mother and worked as a dental assistant and a dermatology assistant for many years. She married RD Blankenship in 1977 and moved to Arizona in 1979. Judy began her long love affair with Irish Setters in 1979 when she and RD rescued Molloy from the pound.

Judy's life changed dramatically when she fell in love again...this time with dog agility! For those that knew Judy before she got involved in agility, you would know that she was shy, quiet and liked to stay in the background. Agility changed all that! She dove in head first, joining Contact Zonies Agility Club, and earned multiple titles on Ashley, Maggie and Shayla. Shayla became the **first** Irish Setter in the United States to earn a championship agility title in NADAC (North American Dog Agility Council)! This was a HUGE accomplishment! The NADAC venue is geared to dogs such as border collies that have great speed and work at a distance from their handlers. Watching Shayla work at distance from Judy on the agility field was breathtaking. Judy became an extremely influential and highly regarded individual in the agility world; she served on the board of directors and as an agility teacher for Contact Zonies. She was recognized for her contributions by Contact Zonies when they named the training field after her. She reluctantly left agility competition while in her 70s due to declining health.

It was at this point that she discovered conformation! Cody was her last IS, joining her in 2012 from the Challenge Fly Fishing litter. Judy was always drawn to "red boy" even though, according to her, "she wasn't taking a puppy." One day she decided to take him home to help socialize him and she never brought him back! Although Cody was never involved in agility, he became her first conformation champion and was her constant companion and shadow. He was deeply bonded to her and regretfully passed less than a year after Judy lost her battle with cancer. We truly believe that Judy wanted him with her and she came to get him.

Judy was a long-term active member of the Irish Setter Club of Arizona. Judy was a remarkable lady and left a lasting impression on all who had the privilege to spend time with her. She has left a huge hole not only in hearts but also the agility community. She is missed terribly!

In Memory of Nancy Friedersdorf

Nancy had a long and storied history in her home state of Indiana prior to moving to Tucson in her retirement. I met people from all over the U.S. in the 30+ years I knew her who loved and respected her as an educator, a mentor, a friend, and a fellow fancier of Irish Setters.

Nancy had three Irish, Stormy, Cinnamon and Holly from Barb Riegle in Michigan. She also had her beloved Sunny from me. My fondest memory of Nancy is of her and Sunny singing...together..."You Are My Sunshine" to the swaying, singing, plastic sunflower they had been gifted!

Nancy was an active member of ISCGT and was awarded a Lifetime Membership. We are thankful for her contributions.

Nancy, we will miss you greatly!
