

MIEL APOTSOL

Class Teacher

Originally from the Philippines, Miel began her journey with dance with classical ballet at the age of two. At the age of 11, she moved to Westlake Village, California with her family and was introduced to other styles such as Hip Hop, Lyrical, Tap and Jazz.

Miel's love for performance expanded when she auditioned for Westlake High School's prestigious Vocal Ensemble and Dance Team while continuing her studio dance training. She has participated in musicals such as Guys and Dolls and Hairspray at Moorpark College, and continues her interest in Musical Theatre by auditioning for more musicals within her community.

Miel focuses her style of dance in Hip Hop with a background of Contemporary/Modern as well as Improvisation of motion. Her choreography has been featured at Moorpark College Dance Department's Fall and Spring concerts and at the American Collegiate Dance Association festival at Arizona State University.

She aspires to have a career as a dancing doctor with a bachelor's degree in Biology and Dance from a four year university. As the former president and founder of last year's Dance Club at Moorpark College, Miel desired for all level and styles of dancers to have a home where the gift of dance can be shared with one another.

With her passion and determination, Miel is very eager and thankful for her opportunity to guide her students this year as well as learn from them at Aspire Dance Studio!
