Dear Friend,

The Northwest Jersey Horse Show (NWJHS) would like to invite you to be a valued sponsor for our 2021 show season. Sponsors play an important role in helping us achieve our primary goal, which is *to offer a family-oriented venue for novice riders of all ages to hone their knowledge and showing/competition skills*. As a sponsor you will also be contributing to our secondary goal; *to support the efforts to stabilize and restore Lusscroft Farm in Wantage Twp., NJ*, the venue at which we hold all of our shows and annual fundraiser.

Please find attached for your consideration our sponsorship levels, supplement and listing of benefits that may be included with each level. On behalf of the NWJHS, we appreciate your consideration in supporting our 2019 show season. If you are willing to support us this year, please complete the attached Sponsorship Agreement and return it by mail to our PO Box listed above. Horse Talk

Who is the NWJHS?

The NWJHS is a 501(c)3 non-profit organization based in Sussex County, New Jersey whose mission is to support youth, agriculture, equine interests and charitable endeavors. We work to provide the opportunity for our exhibitors to learn a variety of skills, look at various disciplines and share knowledge with one another. It is also important to NWJHS that we offer this in a wholesome environment that is **affordable** and fun for everyone. As a sponsor you play an important role by helping to underwrite the expenses for the show season and year end awards. This allows us to keep our entry costs at an affordable level for all of those who want to show while providing high quality awards and excellent judges who believe in our mission to encourage, educate, and foster growth in the riders who attend.

As previously mentioned our secondary goal *is to support the efforts to stabilize and restore Lusscroft Farm in Wantage Twp., NJ*, the venue at which we hold all of our shows and annual fundraiser. Lusscroft Farm, a former 4H Camp and part of the High Point State Park system, is a beautiful historic farm in desperate need of stabilization and restoration. We donate 30% of all proceeds from our events back to the restoration efforts. We reserve the right to donate to other charitable causes, but the primary charitable cause at this time is to see a future for this historic farm. We do so in coordination with the Heritage and Agriculture Association Inc., who works for the restoration of historic Lusscroft Farm, and the NJ D.E.P, Division of Parks and Forestry. By sponsoring our show season you are not only supporting our organization, but also the restoration efforts of an incredible historic agricultural landmark in New Jersey.

In 2021 our season will consist of four shows; May 8, June 5, September 11, and October 9. Our October show is always a favorite, since we hold a costume class and allow our exhibitors to show in costume all day. In past years we would hand out our Year End awards at the conclusion of our October show, but in 2018 due to show growth we introduced our first Year End awards dinner which was a great success. Each year we have worked to expand our Year End award offerings to suit and encourage our exhibitors. We now offer Year End awards in 10 divisions as well as 8 special awards (see the supplement page for a full list).
