

What is Local Green Space Designation?

The Government's National Planning Policy Framework (NPPF) introduced a new Local Green Space (LGS) designation. LGS designation is a way to provide special protection against development for green areas of particular importance to local communities.

Green spaces are a vital part of a vibrant and healthy community. As well as recreational benefits, green spaces also improve the visual amenity for any particular areas.

You can read more about SNC Local Plan Part 2A and Local Green Space by clicking the link below:

What can you do?

It is **really important** that as many people as possible complete and submit the designation forms.

The documents you will need to make the proposed local green space submission are available on-line via the links below, or FOJF can supply printed blank copies and an information sheet.

Proposal form in Word format

[Local Green Space - Proposal Form \(50 kb Word document\)](#)

(Note: the date on the forms states June 2016 but the Planning Officer has said that this date can be ignored.)

You should submit the proposed green space designation to the Council either by post to: Principal Planning Policy Officer, South Northamptonshire and Cherwell Councils, The Forum Moat Lane, Towcester NN12 6AD or preferably by email to: planning.policy@southnorthants.gov.uk

Need help with the form?

Friends of Jubilee Field have completed nomination forms and are also sending updates to SNC. We are more than happy to help you fill in the form or supply blank forms, or deliver them to SNC. Email: join@friendsofjubileefield.org
