RCAC Board meeting

President's Message

Fran Maddox

The July 15th meeting was our annual picnic meeting. We met at noon with our lunches and drinks. The actual meeting started at 1:00 pm with ice cream sandwiches being given out. Summertime is an opportunity to visit with each other, relax and have fun. Music circle will start again at the October meeting. No meeting in September due to many Oktoberfests around the area that involve our members. Marlene Meissner is still looking for evening accordions for Mt. Angel. Anyone interested contact her at marlenem26@msn.com.

The 2023 RCAC Camp at Collins Retreat Center was a big success. You can watch the concert on You Tube as well as the interviews that were done. Melody at Willamette Studios did a great job putting all this together. Planning for 2024 is now underway with Delette Huffman at the helm. More information will come out in September.

Enjoy the sunshine and rest of summer.
