

Thank you for your interest in Together Frankfort! A volunteer civic engagement group, we formed on January 6, 2017, when several friends gathered to discuss attending National Women's March on Washington & sister marches. We discussed our reasons for marching. The dialogue became quite powerful, personal, and profound -- evolving into a passion to take action locally.

Early in 2017, we defined our priorities. These are:

1. Increased civic engagement & education on national policies, including campaign finance, the environment, healthcare, tax reform & others;
2. Improving voter participation & voter education on public issues;
3. Communicating our concerns to elected officials; and,
4. Forming partnerships with like-minded organizations.

Together Frankfort Coordinators are: Karen Armstrong-Cummings, Gae Broadwater, Karen Waite Carey, Mary Lynn Collins, Kathy Murphy, Barbara Hadley Smith, Cary Suddeth, Margaret Townsley, Linda Waller, and Murray Moore Wood.

Karen Armstrong-Cummings and Mary Lynn Collins serve as Co-chairs of the Coordinators Team; our bi-weekly meetings are open and interested persons are *encouraged* to attend. Let us know!
