Monthly Networking & Check-in Event

Hosted by: Kathryn Taylor Davis, MSW

You are invited to come and learn more about community resources and local agencies, as well as network with your social work colleagues. Social Work students and professional social workers are encouraged to attend our networking events, even if you are not a member of NASW.

This is a wonderful opportunity for social workers, social work educators, and social work students to get to know one another.

Registration is free!

You will receive a Zoom link prior to this event.

To register, go to www.naswfl.org/events.html.
