September 13- Homecoming

What Has Been Happening in The Pond?

We are off to a new year! The transition has been smooth and our new Ducklings are doing well! Getting to know them and watching them interact with the new kiddos has been fun!

As we head into September keep in mind the temps may be a bit cooler than we've been used to especially the mornings so a jacket may be needed.

I am excited to start the new year off with new adventures starting with this group of kiddos!

I want to thank all the parents who helped get us off to a great start in the Duckling room! We appreciate it a lot!
