# HAPPY NEW YEAR!

## Happy New Year 2022!

To begin 2022, I want to first recognize the employees of the Village of Calumet Park. I am proud of the employees of the Village; we have a great staff. They work tirelessly for the residents. Secondly, I want to thank the residents of Calumet Park for your patience during this time of uncertainty. We will continue to work hard for you and we always put the vision for the Village and its residents in every plan implemented.

We continue to develop economic strategies for our community. As always, we are diligently looking to bring a grocery store back to Calumet Park. We are proud to announce that the Village has acquired the property formerly known to all as "Ultra" and we are looking forward to the announcement in 2022 of a new grocery store at that property.

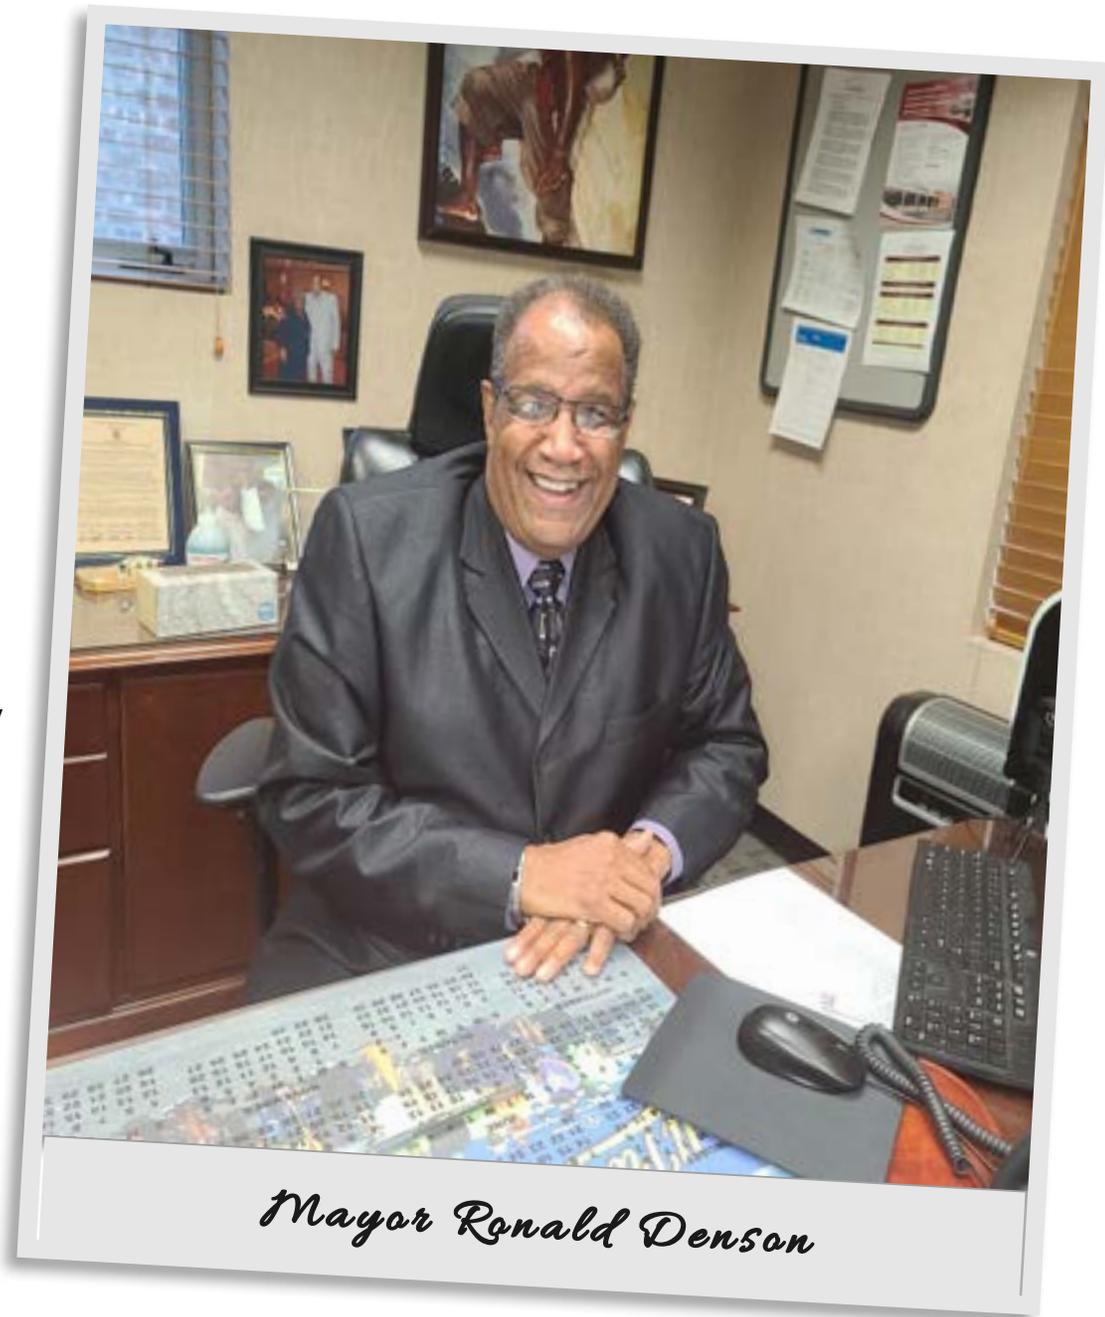

We have been diligently looking at grants to help the community grow economically. We have secured infrastructure grants for our roads and sewer systems, "The Ashland TOD" (Transit Oriented Development) site at 123rd and Ashland will be a ground breaking this year. We are working with Metra to develop that area as the "Stop" for Calumet Park by renaming it the "Calumet Park Station". We are excited about these projects and many more and I encourage you to get involved with your community. Come out to the meetings and listen to what is coming up throughout the year.

In 2021, we lost a very important part of our Calumet Park Family, Trustee Felix "Phil" Laskey. Trustee Laskey was first elected as Trustee in 1981 and served as Trustee for 39 years. His dedication to our village was unwavering. He was an Army Veteran of World War II where he served as an Army engineer. He will truly be missed.

Thank you for your continued support throughout 2021. I am looking forward to continuing to serve this Village in 2022.
