Pray At All Times

When we're in need of guidance
Through times we cannot see
Just where we are heading
Or where we ought to be

When we need more faith
Through times that we doubt,
For those times when we question
What life is all about

When we're in need of comfort
Through times of so much grief,
Those times when our hearts ache
And we have so many needs

When we need a friend
Through times when we're lonely,
Those times when there's no one,
Just God and us only

When we need more power
For those times we're attacked
The struggle with temptation
Is one of Satan's traps

When we have His blessings
Abundant in our lives
When things are going well
And doors open wide

Through all of these times
In life that we go through,
One thing is very certain
In what we all should do

That we should never cease
From a lifetime of prayer,
For praying opens heaven's doors
And causes us to hear

What God wants to say to us
And the things He longs to show
So we can walk in His perfect will
Wherever we shall go.
