**A Note from Rick:** Wow- we have been in a pretty crazy stretch of sales here starting with the Driving Horse a few Saturdays ago. The Draft Horse & Tack Sale was quite an experience. The horse market was good and the sale was busy. It takes a lot of people to do what was done at TLA last week and we are so appreciative of every one. We have a great staff here that worked hard all week and a great group of buyers and sellers that made the sale happen. Hats off to all of you- it was a lot of fun. Before the dust settles in the horse arena, it's back to our Tuesday sale and on to cattle, cattle, cattle..... Butcher cattle were a little stronger this week, while butcher cows were a little weaker. Calf prices showed strength and the feeder prices were steady to a little stronger. We are glad to have a draft week under our belt. After a few days with a full night's sleep, we're ready for our organic sale, special dairy heifer sale and special feeder sale. TLA is definitely where the action is!
