## From Franne Brandon, Petersburg, Tennessee

In February of 2018, Sharon Loomis Corr, a good friend and supporter of IHWHA, passed away. Sharon was part of a New York state family involved with Tennessee Walking Horses since the 1940's. In her will, Sharon bequeathed her collection of antique magazines devoted to the Tennessee Walking Horse, the American Saddle Horse, and other gaited breeds to the International Heritage Walking Horse Association.

The article appearing below on the great show mare of the fifties, Merry Souvenir, came mostly from one of the magazines in this collection. This 1959 issue of National Horseman appeared four years before the establishment of Voice of the Tennessee Walking Horse. IHWHA is grateful for the gift of this collection and will provide photos and insights into horses from those early years as time goes by.

### MERRY SOUVENIR 530553

**MERRY SOUVENIR**  
STEVE HILL, up

126 blue ribbons — a record worth remembering, for it will be a hard one for others to equal — have been won by a great six-year-old mare, Merry Souvenir, world's junior champion, world's champion mare. She started out this year, again in winning form, taking top rating in the mare division and championship stake at Tampa and Largo, Florida, Columbia, South Carolina, Aiken, South Carolina, St. Louis, Missouri, Lexington, Kentucky, Knoxville, Lebanon, P.T.A. Show, Shelbyville, Manchester, Tennessee. Before the season is over, under the talented Walking horse trainer, Steve Hill, who made her, we can rest assured that many more victories will be added to her list for her owner J. M. Foster Company, Inc., of Gary, Indiana — Pittsburgh, Pennsylvania.

In early summer of 1952, a minimal black sabino daughter of Merry Go Boy was put in the court of her half-brother, the classic roan stallion Go Boy's Souvenir. Merry Go Girl T. was out of a mare named Jane Ann by Curry's Sunshine by White Lightning. Her second dam was Ada Abernathy by Billy Allen. The following spring Go Girl foaled a filly registered as blue roan. The filly was a classic roan, like her sire. She would receive the official name of MERRY SOUVENIR 530553.

Merry Souvenir was highly successful as show mare. In 1956, she won the Junior Championship Walking Horse Stake. In the first three decades of the Tennessee Walking Horse National Celebration, The Junior Classes were for three-year-old horses. It was not until 1966 that four-year-olds became Junior Horses, and a separate set of classes was added for three-year-old walking horses. Merry Souvenir had competed in the Junior Mares class but lost out to Big Man's Vamp. Vamp had also won the Two-Year-Old Fillies class and the Two-Year-Old Walking Stake in 1955. As the reigning Junior World Champion, Merry Souvenir was the mare to watch in 1957, and she proved up to the competition, as she was chosen the top mare in Walking Mares, Four-Years-Old and Over in 1957, for owner J.B. Sapp of Martinsville, Virginia. She placed third in the World's Grand Championship that year, behind Sun's Jet Parade and Setting Sun, who would win those World Grand Championship honors in 1958.

By 1959, Merry Souvenir had changed hands, to the ownership of J.M. Foster of Gary, Indiana and Pittsburgh, Pennsylvania. She was campaigned that season by the veteran trainer Steve Hill of Beech Grove, Tennessee, who had taken the great Merry Wilson to most of the victories. A full-page ad for Merry Wilson in the August, 1959, issue of The National Horseman reads, in part. "126 blue ribbons - a record worth remembering, for it will be a hard one to equal - have been won by a great six-year-old mare, Merry Souvenir, world's junior champion, world's champion mare. She started out this year, again in winning form, taking top rating in the mare division and championship stake at Tampa and Largo, Florida, Columbia,

South Carolina, Aiken, South Carolina, St. Louis, Missouri, Lexington, Kentucky, Knoxville, Lebanon, P.-T.A. Show, Shelbyville, Manchester, Tennessee."  
(page 78)

In her column in the same issue, Jean Hunter, Editor of "Tennessee Walking Horse News", writes "...The story of this famous champion is almost like a fairy tale. She was started as a youngster by Winston Wiser. At that time, J.B. Sapp arrived at Steve's stables, in search of a top horse to take on the winner's circles. Steve and J.B. spent days riding around looking at prospective show colts, and after they had made the rounds, they bought Merry Souvenir, then ready to show in her junior year. From then on she has made history." (page 66)

She continues "Steve showed Merry Souvenir for J.B Sapp to win more blues than any horse showing for many a day. She has more show ribbons than any living mare, and possibly she had done more winning than the noted Merry Wilson, also made famous by Steve." (page 66)

That year, in 1959, Merry Souvenir was once again World's Champion mare, and placed fourth in the World's Grand Championship stake, behind Rodgers' Perfection, reserve World Grand Champion Go Boy's Invasion, and third place Mister Sensation. There were seventeen entries in the 1959 World's Grand Championship Stake, more than in many stakes in the 21<sup>st</sup> century.

Unlike some competitive and winning show mares, Merry Souvenir successfully transitioned to broodmare status. Eleven foals were registered to her from 1963 to 1975. Her first three were blacks by Midnight Sun. Midnight Souvenir C. sired 28 foals. Sun's Souvenir C. had no offspring, while her only filly by Sun, Mama's Moon Glow, had two foals. Her fourth foal was another black one by Go Boy's Royal Heir, a filly registered as Royal Heir Souvenir, which had five foals. Her fifth and sixth foals were chestnuts sired by Suns Eldorado. Eldorado's Souvenir was a gelding, while filly Eldorado Bella Donna continued her dam's legacy with nine foals. Her first roan foal was The Midnight Hour C., a gelding by Eldorado's Big

Star. She also had two black foals by Eldorado's Big Star, Big Star's Souvenir, a filly who produced fifteen foals, and Eldorado's Big Lick, a roan with no offspring. Merry Souvenir's last foal was a black classic roan by the 1973 World's Grand Champion Delight Bum-in-Around. Bum's Souvenir was never shown, but stood at stud for many years, siring 105 registered foals.

Many of today's classic roan horses trace their roan legacy through Bum's Souvenir to Merry Souvenir, to her sire Go Boy's Souvenir, and back to his dam, "V". Although many of Bum's Souvenir's foals were out of Ebony's Hacksaw mares, others were out of mares with no modern show bloodlines. Merry Souvenir was an old show mare with talent, stamina, show ring presence, and a classic roan coat that is in vogue in today's pleasure circles. Some of her descendants are IHWHA registered, carrying on her tradition as strikingly handsome examples of the Heritage Walking Horse breed.

**Do you have horses who are descended from Merry Souvenir? If you do, we'd love to hear from you! Email your photos and a bit about your horse to [northern\\_foundations@yahoo.com](mailto:northern_foundations@yahoo.com) to be included in the next issue!!!**

## Stallions From Around The World

### Leon Oliver Brown Shop Road Farm Cornersville, Tennessee

Not many families have been involved in the walking horse breed since the early years of the 20<sup>th</sup> century. The Oliver family of Cornersville, Tennessee, is one of them, continuing to raise, ride, and love the same bloodline as that which Grandpa R.H. Clark began standing in 1923.

In 2019, Leon Oliver will be standing two stallions. Buds Sterling Bullet, oldest of all the Heritage Walking Horse Stallions, continues to offer to mare owners the traits that have made him a well known and loved stallion across the breed.

While Bullet was trail ridden many times as a younger stallion, he was never shown. There was no time for it. As soon as he was offered at stud, the mares came to his court. And the mares returned, for his foals were good looking, stylish movers, often with the added sparkle of silver. Riding horses by Buds Sterling Bullet have gone to many different states, to Canada, and to Europe. Some of his best foals have been linebred to his dam's sire, as the cross of Bullet on a Red Bud's Rascal mare was proven as a winning combination early in the stallion's career.

Bullet today at age 31 continues to impress visitors to Brown Shop Road Farms with his still-elegant appearance and his ready obedience to his

owner's voice commands. He is no longer ridden, but loves attention from people, and will stand happily while they pat or scratch or just discuss his merits.

**Ostellas Bullet Trademark**

**Ostellas Bullet Trademark** has assumed the role of Junior Stallion at Brown Shop Road Farms. Trademark is a 2012 son of Bullet, and out of the lovely Mark's Crackerjack mare Mark's Diamond. Diamond was a noted matron that produced many top offspring in her lifetime. They are found across the United States, while two daughters are in Israel. Trademark's second dam was Lonesome Last One, a Red Bud's Rascal daughter. Last One's dam was by Red Bud Allen, out of a mare by Wilson's Prowlin' Pete. Trademark will be standing to outside mares for the 2019 season.

**Leon emphasized that while these stallions will be offered at stud this year, the mare need to be broke and used to being handled. Being used to breeding would be a big help. He also is not shipping semen.**

**Billy Taylor  
Confederate Hills Farm  
Winchester, Tennessee**

Nestled in the hills of Franklin County, Tennessee, not far from Lynchburg, is the scenic Confederate Hills Farm belonging to Billy Taylor. Billy and his brother Danny were responsible for preserving the Society Man stallion line in the walking horse breed through their discovery of grandson Paige's Echo, bred by their father. Billy stood the popular and much loved Society's Dan Allen, a son of Paige's Echo out of a Red Bud's Rascal mare that Billy had bred and raised. Since the tragedy of Dan's untimely loss, Billy now stands his chestnut son, along with Echo's Confederate Rebel, a black sabino son of Midnight Sun grandson Sun's Smokey Midnight. Neither stallion stands to outside mares, and there is generally a waiting list for the Rebel offspring.

**Echo's Confederate Rebel**

Billy writes "Echo's Confederate Rebel is a six-year-old stallion, by Sun's Smokey Midnight, one of the best natural gaited horses that I ever rode, and a good producer of well-gaited progeny. Rebel's dam is Chance's Society Paige, a direct daughter of the good breeding stallion, Paige's Echo and out of a Last Chance bred mare. Rebel has produced six living foals, all of them have been well-gaited, with calm minds, and an easy to work with attitudes.

**Gen Jeb Stuart CSA**

Gen Jeb Stuart CSA, is a son of Society's Dan Allen, his dam is Echo's Merry Co-ed, making Jeb line bred Paige's Echo. The General's first foal arrived in 2018. With that signature Echo personality, he found a new home very quickly, as a stallion prospect for Nick Wilkinson in Louisiana.

**Northern Foundations Farm

**Society's Duke Allen**

Society's Duke Allen came to my farm as a 13-year-old. I had him longer than any stallion that has been on this farm. Duke was put down in the fall of 2018 due to age related problems. He is horribly missed! He was one of the great ones and a very hard act to follow!

Currently, I have two of my mares in foal to Duke for 2019 deliveries so I'm looking forward to those foals.

Time and past injuries, as well as new injuries, are/have taken a toll on me. We are coming out of one of the worst winters I can recall, and it tested us big time both physically and mentally. My mind thinks I'm 30 years old, but the old bones tell me different.

For this reason, I am getting serious about downsizing and have a few younger fillies for sale, as well as a stallion. The plan is to use up the frozen semen I have for Duke at this time. The mare herd is aged 14 to 20 years and as they age and retire, they won't be replaced.

**FOR SALE:**

**Walkien Jesse Skywalker  
CRTWH, IHWHA & TWHBEA registered**

I absolutely love this horse! He is drop dead gorgeous and a nice moving horse. It is with a heavy heart that I am putting him up for sale. Jesse came here in the fall of 2016. He has sired several foals for me so far. His first US born foals arrived in 2018: Scarlet Star Wilson had a big black colt, NFF PR Dwayne Johnson, who is sold. NFF Angel's Lucky Star had a stocky built black filly, NFF Skywalker's Leia, who is headed to Texas this year. Wilson's Ruby Roan had a lovely chestnut filly, NFF Skywalker's Fermina who is currently for sale.

Jesse was started in the Canadian Program for Excellence and got his Bronze Award. He was in training with Bill Roy who said: **"Jesse is easy going and one of the most natural "WALKING" horses I have ever worked with. Wonderful canter, great mind. I also got to do some ground work with one of Jesse's foals. It learned fast and had the same nature. This is really important to me in a stallion."**

There are several mares in foal to him for 2019. The decision to sell him has been a difficult one.

**Contact me at  
[northern\\_foundations@yahoo.com](mailto:northern_foundations@yahoo.com) for more  
information and pricing for Jesse**

**Tsuniah Sage King's Echo**

Meet Tsuniah Sage King's Echo, a 5-year-old stallion. "Sunny" belongs to my friend, Bobbie Brebner from British Columbia. His sire is NFF Society King's Opus, son of NFF Wilson's Society King. Opie's dam is Rascal's Favorite Lady, daughter of Red Bud's Rascal. This guy is a combination of bloodlines I like – Williams King, Red Bud's Rascal and Paige's Echo all in one horse. This is a photo when he was three years old. I need better pictures showing how he has filled out. When mud season is done here, I can get him cleaned up and get some new photos.

Love the disposition of this horse and the two fillies I have from him so far. He's just a nice tempered horse!

**Jesse and Sunny will be offered to only a few select mares in 2019 until Jesse is sold**

He fits right in here at Slush Creek Walkers. Rooster's top line features the blood of Go Boy's Crown Royal, Merry Go Boy, Merry Boy and Midnight Sun. Cadence inherited his wonderful, calm, gentle, sweet, people-loving personality from his sire. SCW Counting Cadence has 3 lines, including an unbroken top line, to the 14 time World Champion, Hills Perfection. (Hills Perfections registered name was Reyclif Mid-Merry and that was not changed; he was only campaigned as Hills Perfection). Sun's Merry Man, the only offspring by Hills Perfection to reproduce, was owned by and stood at the famed Double Diamond Ranch for many years. Cadence's dam, Dakota Miss Eagle was one of eight original mares that came to Slush Creek Walkers from the late Calvin Millers breeding program of the Double Diamond Ranch. Eagle produced several outstanding foals for us during her broodmare career and Cadence is truly one of the very best!

**Carbonado Bay At The Moon**

Carbonado Bay at the Moon was bred in Montana, at the Carbonado Farm of Austin and Michelle Turley. His sire was NFF Echo's Blue Moon, a grandson of Paige's Echo and Red Bud's Rascal. His dam was Society's Merridee, by Society's Lee Allen and out of a Sun's Midnight Mark granddaughter. He arrived a flashy bay sabino and attracted the attention of Sandra Bullins of Misty Hollow Farm in Altavista, Virginia.

All of his babies have his substantial bone, wide chest and sweet demeanor and it appears that most of them will exceed him in height. He is 15.1. They have all been easy to work with and well gaited as weanlings. His first 2 babies will turn 2 this year and are beautiful black sabinos and although Moonpie sold, I am very much looking forward to seeing what his first daughter, Bluebells will do when the time comes. He has done well with hand breeding here and he was trained for collection and shipping last summer. He also has some frozen semen ready for shipping as well.

"Snip" is a gorgeous black stallion, 15.1 hands, 1,000 lbs, foaled in 1996. He is large boned with feet to match and has a ground pounding action very much like his grand sire, Midnight Sun. Snip's sire, Sun's Remembrance (1966-2004) was the last living son of Midnight Sun (1940-1965). Snip's dam, Merry Nite Doll 88, was sired by Merry Boy's F88, one of the last living sons of Merry Boy . Merry Nite Doll's dam, Stormy's Ebony Doll, was sired by Go Boy's Nite Storm, one of the last living sons of Merry Go Boy. Snip has a pedigree that in years past was known as the "royal cross," horses sired by Midnight Sun out of Merry Boy mares. Stormy's Ebony Doll's dam was a direct Ebony Masterpiece daughter and her dam was by the great Society Man. In addition, Snip's registration shows four foundation horses.

Jarred had fallen in love. And so, we added TWO sons of Sun's Remembrance to our farm.

He meets me at the gate every day for his grooming and exercise. With his good bone and confident demeanor, he’s the kind of horse we’d like to ride long distance."

The dam of Allen's Gust is Tempest Wind, by the late Heritage Stallion Go Boy's Windwalker. Allen's Gust was bred by Nya or Rocky Bates.

Henk says, "Allen is built strong with an outstanding conformation and a beautiful neck and head. Lobo is a wonderful young stallion. So handsome and as beautifully and naturally gaited as you could ask for. He is very solidly built, with strong bone, short back, lovely sloping shoulder and a big wide chest. Smooth as silk, he goes wherever you ask him with motivation and a cooperative attitude. I just couldn't ask for a more sane or amenable stallion. He had his first foals this year and they are both smart, sweet, lovely and well gaited.

**Priced at \$6500**

“Yesterday’s (February 2) Soup and Sandwich Ride in Wisconsin. We were riding in some awesome hill country yesterday, up on a high ridge deer trail where you could see for miles in all directions. It was a great ride with good riders and horses. After last week’s 25+ below zero temps the 40+ degree temps were a great relief – the horses all got hot and many of us rode bare handed!”

**My daughter, Anna, ponied her young filly,  
Ruby’s Lunar Blossom, aka Luna, on the trail  
ride.**

## Readers Write

“Just want to say how handsome Scarlet's boys are on the cover of this newsletter. They are both clever and do Scarlet proud.” Robin Moore, West Des Moines, Iowa

“As always – amazing.” Dianne Little, Calgary, Alberta, Canada

“Thanks, for the issue and the world tour!” Natalie Speckmaier, Vancouver, Canada

“The wheeler-dealer in me has been mulling over some moves: That Opie is one good-looking stud, and he does have a fine head, but they probably won't part with him anytime soon. Traveler, on reflection, probably needs saddle time. He is already in Canada. If you can get him he would make a great dude horse in exchange for Mayflower (2002) who is fast approaching matron status. She needs to pass on her genes sooner rather than later. Tempest is a lot younger (2011). There are other prospects, but they require a lot more thought from the Oracle of Orange (river). I still wish I was over there to stir the Walkers set to action of any kind.”  
Regards, Henry Ferreira, Johannesburg, South Africa

“Thank you for featuring my Heritage horses AND Gem's January surprise in the HH. I'll send another photo when we get a good one. Imagine – he's already nearly 6 weeks old! He and Gem have been moved to another farm. He will be a full 6 months old and weanable by July 12, so I'll have to find him a new home or have him gelded early if he's coming here. So if anyone really IS looking, I guess I should send you an ad. He does have a unique Heritage eligible pedigree and is a friendly little tyke, I'm told.” Marjorie Lacy, Edson, Alberta, Canada

“I sold two mares for different people years ago; a black TWH mare from Edgar, MT to the Netherlands. And a palomino mare from Omaha, Nebraska to Israel. I can't recall their names! Darn. The palomino had quite a bit of Last Chance. The black mare might have had our Goldust Royal Trigger; again it's been many

years. The TWH is by far the best!” Grace Larson, Kalispell, Montana

“Great stories! From all over the world! I was happy to see that Bullet's Elusive Angel (Elly) was included in Bobbie Brebner's story about her horses. Now that I don't have horses any more in my old age, I can still read about ones I used to have. haha!” Joan Hendricks, Owen, Wisconsin

“I love it! IF my piece of junk printer would print in color, I would actually make a hard copy of this issue. We did get a tremendous response from Canada, then Belgium, a great spread from Ron Paska. Too bad Germany is not aware of Heritage. They did at one point have some fine old bloodlines there.” Franne Brandon, Petersburg, Tennessee

“Wow--a lot of gorgeous horses. Jeremiah is awesome. Wait until they see what a Duke baby can do.” Nancy Bergman, Whitehall, Wisconsin

“Thank you so much for sharing! And you can tell Karla I really want that palomino colt. He's gorgeous!” Polly Aulton,

“Love this magazine, you do a great job, thank you” Arna Erhart, Grand Forks, British Columbia, Canada

“Thank you for putting together another great newsletter. I love the covers and hearing about the Heritage horses from around the world!” Lesa Luchak, Two Hills, Alberta, Canada

“This is so great!!!! Thanks for sharing my horses. What a wonderful magazine!!!!” Nicole Jamieson, Cabri, Saskatchewan, Canada

“Loved this issue! The pictures are fantastic and lovely tribute to this wonderful breed.” Sharon Turkovich, Toronto, Canada

“Great Job!!!” Deanna, Thompson, Willow River, Saskatchewan, Canada

“I super enjoyed looking at Highlights I do have to finish reading it though. Lots of great horses in there! I thought I’d send some pics of Sage he is such a nice little horse my baby buckskin aka Chomp you can see how long his mane and tail are getting. Solomon has grown, too and he seems to be filling out. We have lots of snow and I’ve had to use the skid steer a couple times to plow a path from the hay feeder and up to the water tank for the animals. Hee Haw doesn’t like walking in the deep snow.” Celena Verdegan, Cadott, Wisconsin

## HOW TO SUBMIT MATERIAL TO HIGHLIGHTS

By Franne Brandon, Petersburg, Tennessee

Do you enjoy reading the articles in Heritage Highlights and sometimes wish that you could share your own adventures, experiences, or knowledge with the readership?

You can! Heritage Highlights encourages all articles, long, short, or of moderate length, about all aspects of the Heritage Horse world.

Submissions can be sent via email messages or in Word format as email attachments. Grammar is not a major issue because we have a copy editor (C'est moi!) who reads each article before the layout editor works her magic touch. Highlights welcomes all photo submissions that accompany an article.

Photographs tell the story in many cases, and because we are a non-print publication, we do not have the photographic limits of a magazine.

It is best to send all photographs separately from the text, as downloadable email attachments, with each shot accompanied by a clear caption. This works out best from the layout perspective. The Heritage Highlights staff looks forward to hearing from more of the readership in future issues.

Readers seem to be enjoying the stories of every day people and their horses so we thought we'd share a publication dedicated to Tennessee Walking Horses that are not show oriented:

**Canadian Walking Horse News**, is published bi-monthly by Marjorie Lacy of Alberta, Canada. The magazine is dedicated to the plain shod horse in Canada and features articles by the Heritage Society's Franne Brandon on the history of the Walking Horse breed.

## Advertising in Highlights:

**If anyone would like to place a classified ad in Highlights, our set up fee is \$10 for photos and text.**

**Also, if you purchase a Heritage Horse from someone who already has a certificate for the horse and you would like the certificate in your name, we can print a new certificate and mail it for a \$5.00 fee to cover the certificate, mailer and postage.**

**You can find us on Facebook!!**
