PRACTICE POLICIES

New Patients: If you have a valid prescription from your doctor, please bring it with you as well as your completed forms from our website. If you do not have the forms filled out prior to your visit, please arrive 15 minutes early, so we may begin at the scheduled time.

Returning Patients: Please bring new prescription if you were referred; update all information upon arrival for optimal care.

Prescription/Referral: *If you do not have a valid referral* (within the last 30 days) from your doctor (MD or DO), nurse practitioner, chiropractor or dentist; the report Collaborative Physical Therapy generates from the initial evaluation with recommendations is sent to your doctor or provider who would need to authorize Physical Therapy by the second visit.

Fees/Payment: Payment is required at the time services are rendered. Checks and debit cards are preferred, but credit cards (Visa, MasterCard, Discover) or cash are accepted. Collaborative Physical Therapy, PLLC reserves the right to charge an additional \$50 for each returned check.

Insurance: Collaborative Physical Therapy is an out of network provider. We will provide you with an invoice to submit to your insurance company for reimbursement. We strive to help you in any way we can to assist with your reimbursement process dictated by your health insurance policy. We strongly recommend you contact your insurance company before your first visit to be best informed about your coverage. Our very best professional services are rendered to you, not to your insurance company. Therefore, payment is your responsibility. You always have the right not to submit for reimbursement.

Medicare: At this time, Collaborative Physical Therapy is accepting Medicare patients.

Treatment Sessions: Wear or bring clothes that allow for full movement (shorts, loose pants, t-shirt, sports bra, tank tops or camisoles are all good choices) Supportive footwear is a must. A session typically lasts for one hour — consisting of 50 minutes of evaluation and treatment and 10 minutes of summary, education and printing out or emailing home program references.

Tardiness: We ask that you arrive on time for your appointments. If you arrive late, your treatment will be shortened and you will be responsible for payment of the full visit.

Cancellation/No Show: Collaborative Physical Therapy places a tremendous value on the time to work thoroughly and individually with each patient. For this reason, 24 hours' notice is required prior to your appointment if cancellation is necessary. Any missed appointments or cancellations with less than 24 hours' notice will result in a fee of \$75. Exceptions will be made at the discretion of Collaborative Physical Therapy.

I am aware that the practice of physical therapy is not an exact science and I acknowledge that no guarantees have been made to me as to the results of these services at Collaborative Physical Therapy, PLLC. It is this clinic's sincere intent to educate me on every process, from billing to treatment and eventually discharge from services. Therefore, if techniques that being used to retrain, recruit and restore postural alignment are not understood, it is my responsibility to obtain a clearer understanding of what the therapist's objectives and outcomes are, and how she is trying to achieve them. This consent shall be ongoing for a period valid for one year from date listed below.

MEDICARE

You will be responsible for any deductibles, co-pays, co-insurance and any services not covered by your plan. We strongly encourage you to check with a secondary insurer (if applicable) regarding your specific physical therapy benefits prior to your initial appointment. Should your plan include a co-pay for physical therapy, we ask that it be paid at each visit.

Medicare requires a valid prescription for physical therapy from your medical doctor for the first visit. A referral from a different health professional, such as a dentist or chiropractor, will not be accepted by Medicare. Once you have received a prescription, it will expire in thirty days. Therefore, please schedule your first appointment within that thirty-day time period.

I authorize and request authorized Medicare payments be made to Collaborative Physical Therapy, PLLC for any services or goods rendered. I also authorize release of medical information to Medicare and its agents any information needed to determine these benefits or benefits payable for related services.

If applicable, I also authorize payment of benefits from my secondary insurance carrier to Collaborative Physical Therapy, PLLC. I understand I am responsible for any deductibles, copays, coinsurance and any services not covered.

I acknowledge that during this calendar year 2020, I (*Circle one*) **HAVE NOT** or **HAVE** received previous physical therapy treatment billed to Medicare at a home care agency, hospital or other outpatient clinic.

Please list places and dates:

If I have received **home care services** in 2020, I may NOT be eligible for services at Collaborative Physical Therapy, PLLC until the case is officially closed in writing.

The outpatient physical therapy and speech therapy soft cap, set by Medicare, for 2020 is \$2,080. Once that cap is exceeded, I will be responsible for payment.
