

## *Mary Nicole Lyons*

**Scholarship:** \$2,000 Annual Anchor Scholarship sponsored by Raytheon - Hampton Roads

**College:** New York University

**Major:** Chemical and Biomedical Engineering

### **Academic and Extracurricular Highlights:**

- **4.78** High School GPA
- Technology Student Association Vice President
- NASA Langley Research Center Summer Internship

### **Quotes:**

“Nicole always gives 200% and has a spirit of excellence in everything she does. She is a leader with any eye for detail and very inventive. She is always pushing herself to do better in everything, whether it be school or sports she will be the hardest working person in the room” **Kevin Charles** - Program Director

“It is extremely difficult to express with words how much I and certainly many others value your support of the Anchor Scholarship Foundation. Individuals like yourself are why people like me are given the chance to chase their dreams and pursue the passions we possess and I can’t thank you enough.” **Nicole**
