

You need a...

Classroom AV Technology Audit

What's included?

- **Inventory** - a thorough catalog* of all classroom presentation audio-visual equipment.
- **Evaluation** - an inspection & test to determine functionality, condition, and viability.
- **Report** - a detailed recommendation of prudent Action Steps†.

What's the cost?

NOW THRU AUGUST 31 ... ONLY \$35 per classroom**

- Regularly \$55 per classroom, 20 classroom minimum.
- All travel expenses, materials, tools and test equipment are included.
- Gymnasiums, auditoriums & media rooms may be extra.

Who ya' gonna call?

- EATON Technology Solutions, 615-878-6995, doug@eatontechsolutions.com

What we are NOT:

- A reseller, a manufacturer's rep, or a hardware vendor (asking you to buy more stuff).

What we ARE:

- Passionate about getting unused and underutilized technology back into service.
- Committed to helping you make informed decisions.
- A service provider with over 30 years of experience evaluating presentation technology.

Additional Services:

Training / PD

Value / Cost Determination

Preventative Maintenance

The fine print. * Catalog fields include but not limited to: Manufacturer, Model, S/N, Inventory Code (if present), Location, and Description. Additional fields may be added upon request. † Recommended Action Steps may include: "Good Condition, Surplus/Scrap, Service/Repair, Spare Parts, or Accessories Needed" **Don't wait. Audits must be booked before August 31st to qualify for the back-to-school special rate. Audits may be performed anytime during the current school year. Call or email to schedule yours today!
