Senior Housing

Message:

In reference to Mr. Mikaelian's letter on senior housing, I agree that we need this kind of senior housing. I lived in the neighborhood and raised my children there. Now my wife and I are seniors, and have down sized. There might come a time when one or both of us might need Senior Care Housing. Just think of how wonderful it would be to be able to go back to the same neighborhood, and not stuck in an industrial area just because of a silly zoning ordinance. We find this appalling!
