# Letter from our Exalted Rules

Summer is winding down and as the temperatures start a cooling trend, we will see an increase of our seasonal members returning to our lodge. I believe everyone will be pleased at the improvements that have been made in the lodge. The two-week shut-down gave us the opportunity to accomplish many projects is on our list. The volunteers who came and offered their time and abilities were invaluable to the completion of the many tasks. I know I speak for the entire lodge when I say a great big "THANK YOU" to all those many volunteers.

The Benevolent and Protective Order of Elks will be celebrating 150 years of service in 2018. During the past 149 years, the Elks can proudly state that we have given **6 BILLION** dollars in charitable donations. In the last year alone, the Elks generously gave \$323 million in donations. To celebrate the 150<sup>th</sup> anniversary, Grand Lodge is giving a \$1500 grant for lodges to continue with their charitable work. We have procured this grant and plan to use the money to help Crossroads put flooring in their school.

Crossroads is a non-profit 501(c)3 home and charter school for foster boys who have had multiple failed placements in the Florida foster care system. The Director, John Davidson, has informed me with the help of Elks volunteers, not only can we install a new flooring but he could also get new impact windows donated to the school. This is an incredible opportunity for us to help the less fortunate youth in our community. We are hoping to start sometime in October. If you would like to be involved with this project, please contact me (941) 637-2606 ext.405.

I would like to clarify information I put in my June newsletter. I had stated that President Wilson declared Flag Day as a national holiday. President Wilson issued a proclamation that officially designated June 14 as Flag Day, but not until 1949 under President Truman did Congress enacted statues officially making it a national observance.

Mark your calendars for the following events coming in September and October:

September 4<sup>th</sup> is Labor Day and there will be a picnic with music. This celebration is on Monday and there will be no chicken diner.

October 10<sup>th</sup> is the PER Association Octoberfest. Get your tickets early for a fun filled evening with great food and music

October 21<sup>st</sup> will be the District Vice President Len Wenzel visit to our lodge. This is a wonderful opportunity for all members to meet our VP and to socialize with other lodges in our district. The dinner is \$15.00 a person. Please contact Pete Vaphiadies at (941)637-2606 ext.404 for reservations.

I would like to thank all of you for the support you have given me during the first half of my term as Exalted Ruler. I am having a blast and know the rest of my term will be fun and exciting.

Respectfully Submitted, Judy Nuetzel, Exalted Ruler

E-mail: Elkettes 2606@comcast.net Phone #: (941) 637-2606, ext 451 One afternoon after a long day during our shutdown I sat out by the Tiki. There was another member there enjoying a cool drink. We sat enjoying the nice breeze and the view, which is always Great. He said to me "if there was ever a place created better than this to enjoy an afternoon, God has kept it to Himself." He remarked about the changes to the lodge and Tiki area that "it never looked better." I thanked him and thought of all the time and work our volunteers have given, and the time and the hours of hard work that has made the positive changes to our Lodge and the Tiki area.

Through the hard work of our dedicated staff handling the food and liquor costs - have made the funds available so we could go forward with some of these improvement projects. We truly appreciate our dedicated staff and volunteers who showed up and worked so hard to complete all of the projects on time during the shutdown! A special note of thanks to the dining room servers and the bar tenders for pitching in and to the true volunteers who worked all day for a hot dog or a hamburger. The Board thanks you!

I am happy to report that the \$1.00 membership drive has brought in over 250 new members.

As I have asked in the past, when you visit the lodge, please be patient and respectful to our staff and fellow members. Please try not to hold seats & tables for people who have not yet arrived. We are all there to enjoy a nice evening at the lodge and sitting with new people may help you make new friends.

It has been brought to our attention by the Grand Lodge that only Members can pay a tab or bill at the Lodge & Tiki. To assist in this, we have installed an ATM in the bar area so our members and their guests can conveniently collect the funds for the bill. Again, the Elk must present the payment for the bill.

Onto Chicken wings... The Board received so many complaints about the wings being too costly, too small, even though we were serving jumbo wings as indicated on the invoice from the distributor, the Board finally voted to stop selling wings in July because we cannot produce wings to satisfy our members.

In National news, there are numerous segments and articles relative to the high cost and small size of wings nationwide. A Google search identified numerous articles including, <a href="www.cbsnews.com">www.cbsnews.com</a>, Chicken Wing Prices Flying high, that identify the same issues we are experiencing at Wingstop a nationwide franchise with over 1000 restaurants.

So, when you visit our lodge please remember that the menu is priced as close to Grand Lodge Guidelines as possible. Every meal you buy helps to support our charities and keep our lodge strong.

When Directors are at the lodge to enjoy an evening with their spouse or friends, we would ask you not to approach them with any issues, but to submit any issues you have to address with the Board of Directors on the comment cards conveniently located at the bar and front register. Please be sure to provide the specific information, your name, membership number and phone number and the date & time. I will contact you to resolve any issue as soon as possible, but please let the Directors enjoy their time at the lodge.

The Board meets the 3<sup>rd</sup> Saturday of every month and if you would like to come and voice your opinion the meeting starts at 9:00 am. All lodge members in good standing are welcome.

I have had the pleasure to appoint Budd Bell to the open position on the Corporate Board of Directors. He has been a volunteer for some time now, working with the Scholarship Committee and he is now the Chairman of the Scholarship Committee. He worked many days and hours during the shutdown and he will make a great addition to the Board.

Respectfully Submitted,

Joe Campbell, PER, Corporate Board President

## \*\*\* NOVEMBER 4, Veterans Appreciation Parade \*\*\*

<u>JULY 4,</u> Elks Lodge #2606 Veteran Committee Chairman Ann Jameson, Bill Jameson, and volunteer C.J. Metcalfe made home cooked food and served it at the Veterans Village July 4 picnic. All the residents had a full day of fun, prizes and food. They send their "thank you" to the Elks and hope we come back soon.

**NOVEMBER 4,** Veterans Appreciation Parade produced by Elks Lodge #2606. Last year we had 74 entries and 1,672 participants. The media stated it was the biggest single day event in Punta Gorda! This would not have been possible without the dedicated volunteers of Elks #2606. It's that time of year again, and if you would like to help in this years parade, please contact C.J. Metcalfe at <a href="Weterancommittee@aol.com">Weterancommittee@aol.com</a>. We have the perfect spot for you;)

<u>WWII veterans</u>: C.J. Metcalfe is compiling a list of living WWII veterans. If you are, or if you know of a WWII veteran, send their contact information to me at <u>Veterancommittee@aol.com</u>, They truly are the GREATEST GENERATION!!

Respectfully submitted, C.J. Metcalfe
