

Count All Kids Back to School National Art Competition Launch

We have some exciting news! During our [last National Art Competition](#), we received over 100 art submissions and had over 8,000 individuals participate by voting. We also saw several posts reminding friends and family to not only participate in the competition, but to fill out the census form and include all children and babies!

Count All Kids will be launching another competition using the theme “**Count All Kids in the 2020 Census.**” We will be accepting submissions through September 14, and the public voting period will run from September 16 through September 25. The 1st, 2nd, and 3rd place submissions in each age category will receive a pre-paid Visa gift card for \$100, \$50, and \$25, respectively.

Thanks for helping us make sure we count every child in the 2020 Decennial Census.

Sincerely,

Debbie Stein
