The Montgomery Stroke and Turn Clinic is pleased to announce Sunday evening stroke clinics at Rockville Municipal Swim Center .

The Montgomery Stroke and Turn Clinic has served the Montgomery County swimming community for more than twenty five years. MSTC is directed by Maneth Gravell and Kent Williams. Maneth is in his twenty forth year with Rockville Montgomery Swim Club at MLK and has coached in both the MCSL and CCSDA during his twenty plus year coaching career. Kent is entering his twenty third year with Rockville Montgomery Swim Club at KSAC where he works with 12&under athletes. Kent's thirty plus year coaching career also includes six years in the CCSDA and two years in the MCSL.

Our experienced coaching staff has been carefully selected for their technical knowledge and ability to work with young athletes. This quality staff and a low swimmer to coach ratio has allowed our clinics to succeed in developing many top level summer and year-round swimmers.

MSTC's program is designed for swimmers 5-18 years old who wish to improve their ability to swim the four competitive strokes, learn correct starts and turns, gain strength and have fun. In order to participate, **swimmers must be able to swim 25 meters of freestyle without stopping.**
