

Celebrating the great happenings at PROVAIL!

Thank you Cody Project for Supporting PROVAIL's Mission

Recently, PROVAIL was presented a generous donation of \$4,672 by local non-profit organization, Cody Project. Through events and generous community donations, Cody Project raised these funds in order to support PROVAIL's mission and to support children with disabilities access the services needed to pursue their life choices.

The Cody Project was founded by the Foster Family in honor of their son, Cody Foster, who passed away just three weeks after he was born. The mission of the Cody Project is to provide lasting impressions and expanded opportunities for children, whether through financial contributions to organizations that support those same ideals, or through their own independent generation of events, all underscored by the belief that every child has the right to a future with unlimited happiness and success.

Thank you Cody Project for all you do for children in our communities and for being a very important member of the PROVAIL family.
