

NOW HIRING

JOB DESCRIPTION

Adventures Child Care & Learning Center is a nationally accredited facility seeking a:

- **Lead Preschool Teachers** (perspective work hours 8:00 am-5:00 pm Monday-Friday) Applicants need to have a minimum of a high school diploma and be working towards a CDA (Child Development Associate) or associated degree in early childhood education. Applicants must be able to provide school transcripts.
- **Classroom Assistant** (perspective work hours: 2:00-6:00 pm Monday-Friday) Applicants need to have a minimum of a high school diploma and we currently working towards a college degree. Applicants must be able to provide school transcripts.

Applicants should be energetic, self-motivated, creative and friendly. We are seeking applicants who share in our vision to provide high quality care and education to all children. We are a play based facility that believes kids should be allowed ample opportunity to explore and create. Applicants are expected to act as play facilitators in the room through modeling, redirection, and intentional activity planning. Applicants will also be expected to share in light cleaning duties, documentation and data collection.

Pay is negotiable based on experience and education.
