2 Text Levels—  
Ps-Grade 2  
Grades 3-5

## Natural Resources

Natural items are changed by people into something that we need.

## Clothing

Native plant and animal fibers are spun into threads, woven into cloth, and then cut and stitched into clothing.

## Food

Food plants are cut, ground, mixed, and baked into bread, soup, and stew.

## Shelter

Native trees are cut down, sawn into beams, stacked upon stones, and roofed with grass to build a house.
