

We hope everyone had a wonderful New Years! Our volunteers take time off from sewing over the holidays to spend time with their families, but are getting back into things now that cold weather is here and we are spending more time inside.

Sewing Hearts is a non-profit organization that takes donated wedding gowns and turns them into Angel Dresses and Angel Wraps for infants that pass in the hospital. The wedding gowns are donated and the volunteer seamstresses donate their time, creativity, and sewing abilities to make the transformation from wedding gown to Angel Dress.

We have received so much support and wedding gown donations that we have not been able to accept any more gown donations for several months. Our volunteers are working very hard turning every donated gown into beautiful ADs and Wraps for infants to wear, but we need your help with monetary donations.

Your monetary donation will help us pay for the following items:

- bags that we place each individual ADs and Wrap in
- sympathy card to go in each bag
- the cost to ship ADs and wraps to hospitals or families who request them outside our local area
- training supplies such as fabric, ribbons, embellishments, and buttons which are also used to embellish some ADs and Wraps that have little or no embellishment from the original wedding gown.

Any amount of donation can help a family receive an Angel Dress or Wrap so that their tiny infant can have something beautiful and size appropriate to wear. If you make a donation of at least \$15 we will send you a crystal lead hanging heart to thank you for your support. Monetary donations can be sent to:
