**Genesis 3:17-19** - The punishment for sin is death. Due to sin, the world is no longer perfect.

**Romans 5:12** - Because our mutual grandfather, Adam, sinned, we now sin too.

**Romans 3:23** - We need to realize that all are sinners, including ourselves.

**Romans 10:9** - We must trust in Jesus Christ as the One who died in our place, paying the punishment for our sin on the cross; resurrected in victory over death.

**Ephesians 2:8-9** - For by grace are you saved through faith and not of yourselves. It is a gift from God, not of works, lest any man should boast.

## 2020 MISSION CONFERENCE GUESTS

### Missionary Candidates: Joel & Leah Sanders

Joel was born in Atlanta, GA where he was blessed to be raised in a Christian family. Sometime after graduating from high school, Joel started to have a passion for mission work. Having been on a few mission trips, he decided that foreign missions was the path toward which God was leading him. Joel has a strong love for music and singing in addition to teaching and preaching. It is his desire to be able to reach individuals with the wonderful message of love and grace shown by our Savior, Jesus Christ.

Leah was also born and raised in a Christian home and has always had a heart for serving. She worked at various camps and ministries and at age 17 felt God call her to go to China for a short-term ministry with her sister. After three months in China, she fell in love with sharing the gospel with others who have never heard the Grace of God before.

Soon after Joel and Leah met and married, they decided they would go to the mission field together sometime in the future. In the meantime, they left Georgia and moved to Florida where they worked for two years at a Boys Ranch for troubled boys. Both their children, Enoch and Naomi, were born while in Florida. Enoch is two and Naomi is not yet a year old.

In May 2017 the Sanders moved to Indianapolis so Joel could gain pastoral experience at Grace Church in Indianapolis while finishing a Certificate in Dispensational Studies from Berean Bible Institute. Every other weekend the Sanders preach and minister at Grace Gospel Church in Linton, IN. They are looking forward serving alongside the Kilgos in furthering the gospel of Jesus Christ overseas.

### Missionaries: Alex & Deltha Gulart

Alex was born in Montevideo, Uruguay. He heard the gospel for the very first time at the age of 16. It wasn't until he was 19 years old that he fully surrendered his life to Christ. God gave him a passion for evangelism and missions. He got involved with Operation Mobilization (OM) in full-time service and two years later, he joined the Logos 2 ship for two years.

Deltha was born in Tabasco, in southern Mexico. She came to know the Lord when she was 14 years old. When she moved to a different state (Queretaro) to continue her studies, she went to a Bible church where she made a profound commitment to Christ and His Word.

When Deltha was 22 years old, she read the book, "Through the Gates of Splendor," and God used this book to open her mind and heart to the reality of missions and the need for missionaries. She decided to join the Logos 2 ship and there she met Alex. On the Logos 2 ship, God used both Alex and Deltha to share the gospel in different countries and situations.

God blessed them with three beautiful children, Ainhua (2011), Bastian (2013), and Etienne (2018). They are currently living in Ciudad del Este, Paraguay, where they are involved in church planting, teaching, and discipleship. Deltha is teaching Spanish to foreign women, and Alex is traveling once a week to Caaguazu to study the Bible, hoping that one day it will be a church that knows the message of God's grace.

## Missionary Candidates: Cleiton & Viviane Menor

Cleiton was born in Recife in northeastern Brazil. He grew up in a Christian home and from a young age learned from his parents about God's love. At the age of 14, his parents accepted the invitation to study at Grace Theological Seminary. This invitation gave Cleiton the opportunity to be accepted as the youngest student to attend that Bible course and the privilege to study and graduate with his father. It was during the three and a half years of his theological studies when God awakened in him his call for service and missions. After completing his seminary studies, his family moved to the coast to pastor the Shangri-la Grace Gospel Church.

Viviane was born in Foz do Iguaçu, a tourist town in the far west of Paraná, known worldwide for the beauty of Iguazu Falls. At the age of 18, she accepted the invitation to go to a Sunday evening service and on that occasion surrendered her life to Jesus. Convinced that her new faith in Christ would change all the plans outlined so far in her life, Viviane decided that she should stay in the city where she was born again to devote herself to knowing God and His Word more deeply. She attended the Gospel Church of Grace where she also met Cleiton. They nurtured a great friendship and for four years they served the Lord at church, were involved in youth projects, learned the importance of evangelism, and were active in Bible studies.

They married in October 2013. The Lord has given them three beautiful children—twins Laura and Elisa (4 years) and Lucas (2 years). Cleiton has an accounting technical degree and since 2009 has worked at an accounting firm where he has become a business partner after being promoted in 2014. In 2015, Cleiton took over the pastorate of the Shangri-la Grace Gospel Church, and since 2017 he has also been working actively in developing a training program for church leaders in the Paraná Coast Grace Churches.

Cleiton and Viviane's desire to do missions overseas was revived in their hearts after visiting the Grace Ministries International church plant, Grace Bible Church in Ciudad del Este, Paraguay, where they met the Gularts and the Bomers for the first time. The love for lost souls spoke loudly in their hearts and they felt called to join them and help in the planting of new churches throughout the country. After praying and preparing for the transition of their current ministries in Brazil, they found open doors at GMI to assist and expand the work in Paraguay.

## Missionary: Brook Seekins

Brook Seekins was on her way to Tanzania for the first time on 9/11/2001. Her plan was to serve under GMI teaching missionary children. Soon the Lord opened doors for her to focus on youth ministries. She worked alongside national pastors to establish youth groups in local churches and train youth leaders. Together they ran camps, seminars, and conferences to establish the youth in God's Word. They were blessed to see young people become faithful leaders of the church through more than 15 years of ministry in Tanzania.

In 2018, Brook joined the GMI team in Malawi. While studying the Chichewa language, Brook saw the Lord open doors for her to assist in worship service training and youth leadership training. She has also been working in Lilongwe with local youth, teaching piano and guitar, as well as leading Bible studies. Brook has also been able to help create curricula which will be used to help train national leaders in leading worship services, establishing local youth ministries, and teaching Bible studies.

## Missionaries: Tom & Michelle Sanchez

Tom and Michelle previously served with Grace Ministries International in the Democratic Republic of Congo from 1987 to 2000. With the graduation of their youngest daughter, Rebecca, from Rift Valley Academy in 2000, they returned to West Michigan to create a home base for their three children. After some good years in the US, they recognized God's call for them to return to the mission field and took steps to serve Him once again in Africa.

While in the U.S., from 2000 to 2017, the Lord prepared them through education and job opportunities. Tom became a Family Nurse Practitioner and finished a Doctor of Nursing Practice degree and Michelle earned a Master's degree in Language and Literature. They both taught at Grand Valley State University—Tom in the College of Nursing while treating patients in urban clinics in the Grand Rapids area and Michelle teaching rhetoric and composition in the Department of Writing. Tom and Michelle felt the Lord guiding and directing them to pursue those things and soon their burden for the mission field returned. Their educational credentials turned out to provide a way to gain entrance to Burundi, which requires missionaries to contribute to its development through such things as education or healthcare.

In 2016, Tom and Michelle surveyed several countries for ministry opportunities. After a season of prayer and waiting, the Sanchez's felt called to Burundi; however, the GMI Board requested that they first go to Zambia to build up and edify the leadership affiliated with GMI. They ministered in Zambia for the last two years affirming solid leaders and helping establish a prison ministry and a theology training program that is not dependent on the full-time presence of missionaries. In mid-2020, they will relocate to Burundi to establish Grace churches in the capital city of Bujumbura. Their ministry in Burundi is to include teaching at Hope Africa University, discipling students and other new believers, and nurturing leaders to plant and grow Burundian-led churches.

## TCM Director of Development: Timothy & Lori Board

Pastor Timothy Board was born and raised in the greater Chicagoland area of northwest Indiana. It was there on Chicago's southwest side that he met his wife, Lori, and was married in January, 2002. After being saved by the grace of God through faith alone in Jesus Christ at a young age, the Lord called him into gospel ministry at that point.

Since graduating in May 2005 from Milwaukee's Berean Bible Institute with a diploma of Advanced Biblical Studies in Pastoral Ministry, he has served in the pastorate of several Grace churches from Denver, Dayton, D.C., to the Dells area at Friendship Bible Church. Tim also graduated from St. Louis Theological Seminary with a Bachelor's Degree in Biblical Studies, has studied in the MDiv-Pastoral Ministry program at Liberty University, and is nearing completion of an MA in Ministry from Grace Christian University.

He is a frequent camp/conference speaker at Northern Grace Youth Camp, teaches at Community Christian School in Baraboo, is an ordained minister in the Grace Gospel Fellowship, and serves on the national board of directors of Things To Come Mission.

## **Missionaries: Matt & April Sykes**

Matt Sykes started doing mission trips around age 10. He grew up in a Christian home in North Carolina with lots of love and encouragement. He accepted Christ at the young age of 6 at a Billy Graham Crusade and had some great spiritual influences in his life. Matt had taken three short-term trips to Puerto Rico before he received the opportunity to do a one-year internship at Camp Caribe under Jon Marshall. Jon then returned to the States to pastor a church in the Northwest so Matt took over as the Mission Adventure Team Director — a job that requires him to oversee the work teams who come to help year round at the camp. He has also been attending and helping at the Juana Diaz Church.

April was born and raised in Grand Rapids, Michigan. Her family was very involved with church and taught her the importance of serving others. April grew up going to mission conferences to hear missionaries speak and wanted to serve God overseas by ministering to others through the Gospel. She had the opportunity to serve as part of cross-cultural mission teams with GMI missionaries. Ministering to others through evangelism and meeting their needs is one of April's passions.

April attended Grace Christian University to pursue a degree in Intercultural Studies and Biblical Studies. While attending Grace, April was a leader and mentor for youth at Rush Creek Bible Church. She really enjoyed working with the youth and seeing them develop their faith and learn more about God. She served in Puerto Rico working as an intern in the Barrio Singapur to help run the after-school center. April returned to Puerto Rico as a short-term missionary under GMI, she assisted with the daily operations of Club Maravilla (an after-school center for kids in the barrio). After building relationships with the kids and people in the community, April realized that God was calling her to pursue a future in Puerto Rico. April finished her last semester at Grace Bible College, graduated, and is now excited to be a part of the GMI team in Puerto Rico. She has been running Club Maravilla while training and equipping leaders to work together. She is also excited about partnering with the Juana Diaz church and discipling and mentoring students to help out at Club and in the community.

It was while she was serving in Puerto Rico that she met her husband, Matt, whom she married on October 21, 2017. Matt and April both have a real desire to serve the Lord wherever He places them and however He wants to use them. They are looking forward to what God has next for them as they transition to Nicaragua.
