Welcome Home

What a winter! Lots of snow, lots of ice, lots of fun! Each year we welcome you back with a little insight as to what we've been up to since we saw you last. We developed the new E sites, so we will be welcoming a few new families to the park. We still have a few units to choose from if it suits your fancy! You won't recognize the waterfront this spring! Major improvements to the marina building and a stunning new site on the water. More new beach toys and a clean up of the washhouse to mention a few. We have many new ideas and plans to keep all our guests entertained this summer. We are excited to get things rolling.

Our family continues grow. We have added a new member, a golden retriever named Stella. We will also be hosting two weddings this year. Adam married Kayla on May 4th and Eric marries Danielle in September. Pretty exciting times!

Cedar Cove is so fortunate to have such a loyal group of customers. Many of you have been here longer than we have, many of you long enough to watch our boys grow to men and experience many of the changes throughout the years. Some of you don't know us at all. We always take this opportunity to welcome our new guests into our family and also greet our older guests with great appreciation and affection.

Welcome to all! Let's have another great summer at Cedar Cove Resort.

Wes & Carol

I will still be running my Fishing Charters and will have one Pontoon boat and two Fishing boats for rent, but by appointment only. This year I will be continuing my great partnership with the awesome people at Aim-Marine in Carp, Crestliner Boats and Mercury Motors. **On May 11th, Aim-Marine will be hosting a boat show down by the gas docks. Take a CRESTLINER for a test drive and see what all the hype is about! Even bring your boat up to the dock and have it appraised! Great deals to be had and some of the best incentives of the year! Check out the Aim-Marine or Adam's Outfitting Facebook page for more details.** Kayla, Hannah and I have moved into the Parkside cottage and are looking forward to another beautiful summer on White Lake!

CEDAR COVE BASS DERBY

Cedar Cove will be having their Annual Bass Derby on Saturday June 15, 2019. You can start purchasing your tickets May long weekend at Reception.

FIRE WOOD

We ask that you purchase your firewood from Cedar Cove! This will help ensure that the park will remain free of the **ASH BORER BEETLE!** **Bagged firewood is available at the Store for \$10.00 bag (taxes included)**

NEW SEASONAL SITES AVAILABLE

As many of you already know, we have successfully converted the old E sites from weekend camping sites into beautiful new Seasonal Sites. There are 8 sites available to put a brand new Northlander or General Coach park model unit. We currently have two 2019 Roseville Reflections and two 2019 Richmond Reflections in stock ready to go on a new E site, or your current site.

Feel free to contact Eric or Wes at ericpugh@cedarcove.ca or wespugh@cedarcove.ca for more information.

IMPORTANT INFORMATION PAGE

FIRE BAN IS...

While a Fire Ban is **ON** or **IN EFFECT**, you are **NOT** permitted to have any type of fire, at any time.

This includes fires used for cooking and camp fires. The only exception to this fire ban is the use of a propane fireplace. If any of our guests violate this rule, Cedar Cove Resort will be fined, and in turn the guest who refused to comply with this rule will be fined the same amount by Cedar Cove Resort. **There is zero tolerance for fires during a fire ban.**

Be sure to make yourself aware of any fire ban that is in effect. Cedar Cove Resort is located in Lanark County, and has this information available to you! www.lanarkhighlands.ca When a Fire Ban is in effect we post signs on you way into the parking lot, on the front door of the Lodge, in Reception, in the Store, and at the Gate. This information is also posted on our website www.cedarcove.ca, and to our Facebook page!

WHAT DO I DO IN A POWER OUTAGE?

In the event of a power outage, there are a few things we would like our guests to be aware of!

- 1 - When the power goes out, Reception / The Lakeside Grill / The Store all have access to the generator beside the Lodge. This means that you are able to purchase ice and necessities from the Store, and come in for a meal at The Lakeside Grill!
- 2 - During a power outage, our internet, and debit/credit machines usually go down. If this is the case, we will only be able to accept CASH.
- 3 – **Please use water sparingly!!** This one is very important! Our water system is run by electricity, so please do not be putting a lot of water down your drains or toilets. The water will run into our system, but will not be able to run through the system. This has the potential to cause back ups, and nobody wants that!
- 4 – During a power outage, please do not use **THE WASH HOUSE!** This facility is not connected to the generator at the Lodge, meaning there are no lights, no water and no ability to flush the toilet! **During a power outage, the POOL WASHROOMS will be available during business hour only, until the power returns.**
- 5 – During a power outage, our phone at Reception (613-623-3133) may become unavailable, so you will be unable to reach us at the Lodge by phone. The Emergency number for Cedar Cove is 613-859-COVE(2683), but in extreme emergencies call 911!
- 6 – You may choose to make a “72hr Emergency Preparedness Kit” for your trailer!
 - Water (2L / per person /per day)
 - Non Perishables (canned or other)
 - Hygienic products (face/hands/body)
 - Flash lights and Batteries
 - Unscented candles
 - Matches
 - Cash
 - Portable External Battery for small devices
 - Manual can opener
 - Blankets
 - First Aid Kit
 - Medications (advil, Tylenol etc)

When a FIRE BAN IS IN EFFECT and the power goes out, you are still NOT PERMITTED to have a fire for any reason, even for cooking. This is very dangerous, as we would have no running water if the worst should happen. We hope that the power stays on all summer long!! However, Mother Nature is in control and you can never be too prepared!!

Answer to the Riddle!

What animal is most likely to eat a relative?

Paper compost bags are available at the Store.

You are able to renew at any time during our hours of operation with Carol. Getting your renewal done early is great; you may be eligible for an early payment discount starting May 1st. We will honour 5.2% rate on your seasonal rate. This rate will decrease every 4 days throughout the summer. And then you can enjoy your whole summer without having to worry about renewing before you leave in the fall!

THERE ARE 3 WAYS TO RENEW!

1. You may choose to pay in full by cheque, debit or cash. This method of renewal makes you eligible for an early 5.2% discount adjustment!! This rate decreases every 3 days! Make sure you take advantage of this opportunity!
2. You may wish to pay with 3 equal cheques! The first cheque is dated for the date that you renew, the second for January 1st, and the third for April 30th.
3. You may also choose to pay by pre-authorized debit, where we split total site / dock fees and other renewal charges into 12 equal payments, which will be on the 20th of every month, from October 2019 to September 2020. **You can choose any of these options for your renewal! If you have any questions, please don't hesitate to ask us at reception.** The deadline to renew is September 15th and must be in person, with just one (1) of the Principle Occupants, please try not to leave it this late! Renewals done after September 15th will incur a \$50.00 late registration fee.

KEY FOBS

Seasonal Guest Key Fobs were automatically reprogrammed in early May, and should work at the Gate. If your Key Fob does not work it could be because:

- 1 – You have an outstanding balance on your account that needs to be paid at Reception.
 - 1 – You had two (or more) Key Fobs under your name, in which case all but one were deleted. You may only have one key fob per Principal Occupant.
- Your Key Fob is for you only, please do not use it to let your visitors, friends, family members, other Seasonal Guests, or service workers. Please be reminded that there is a 20 minute time limit on Key Fobs. Registered visitors must check in at Reception and pay a \$5.00 deposit for a Key Fob to gain entrance into the park. This \$5.00 deposit will be returned to the visitor when the Key Fob is returned to Reception during office hours. Seasonal Guests will not be permitted to pay this \$5.00 deposit, as this is the way we keep track of who is in the park. The only way that the visitor would not receive this deposit back, is if they left after Reception closes, and if we are closed (example Tuesdays & Wednesdays) until Peak Season. In these cases you will have to let your guests or service people in yourself. **THIS IS THE ONLY TIME YOU CAN DO THIS!** Please refer to the Our Hours of Operation section on page 1.

****CHANGES FOR ELIGIBLE FAMILY MEMBERS SEASONAL GUESTS!!!!**

Cedar Cove has made some changes! A grand parent can now become a Registered Eligible Grandparent. Please go to Reception for more information!

If your visitor or service worker is not registered, we will attempt to contact you by phone. Visitors and service workers must then wait until we successfully make contact with you. There are charges associated when you have visitors at your site. We start charging once the pool opens, and we stop charging when the pool closed in September. - ☺ **PARK ACCESS CHANGES!!** Over the years we have tried to accommodate our Seasonal Guests by allowing access to the park before **opening date of May 1st** and late **departure date of November 1st**. Even though Cedar Cove Resort operates a longer season than any other park in our area, there still seems to be confusion regarding the dates of operation. Going forward the privilege of **ENTERING the park prior to May 1st, will NO LONGER BE AVAILABLE!** The water is on May 1st and vehicle access is permitted at that time. The water will be turned off on October 15th and all services will be unavailable at that time and the **Wash House will be closed! The Lakeside Grill will close, Sunday, October 13, 2019.** You are welcome to stay until November 1st, but you are left to your own devices. Please adjust your travel plans to reflect these important dates. If anyone comes to the park prior to May 1st, 2020 with the expectation of using the park on a full time basis or wanting to make a quick trip to their site, they will be refused entry. We will continue to allow you to walk to your trailers when the park is closed.

Have a Great 2019 Summer Season!!
