The seller agrees to furnish the buyer with all the necessary health information including Vaccination Records, AKC registration and Health Certificate. **It is understood that, at the time of sale, this animal is not considered to be show or breeding quality, but it is a representative of its breed and structurally and temperamentally suited as a companion and/or obedience dog.**

We require a non-refundable deposit of \$500 to hold your puppy. Buyer will pick up puppy during the time the puppy is between 8 and 10 weeks old. Two weeks or more with no attempt to make pick up arrangements, buyer forfeits puppy with no option to obtain another.

THIS PUPPY IS GUARANTEED AS FOLLOWS:

Bulldog Country guarantees that all puppies are in excellent health at the time of the purchase. **If your puppy does not pass the Health Certificate your deposit will be refunded or applied toward the next available puppy.** Puppy is guaranteed for **1 year from any genetic/life threatening illness.** Puppy must be examined by a licensed veterinarian, at buyer's expense, within **three business days** of purchase of puppy. This guarantee is valid only to the person who purchased the puppy. **Breeder is not responsible for any expense occurring once a puppy leaves the sellers possession.**

If a genetic/life threatening illness is detected by a licensed veterinarian, the buyer returns the puppy and the papers to the seller immediately along with a letter from the veterinarian stating the medical reason for the return of the puppy. Breeder has the right to take the puppy to our vet for a second opinion. *** Undescended testicles, Cherry eyes and hernias are not life threatening genetic illnesses *. If any medical treatment is performed, this guarantee is null and void.** No guarantee is given for any kind of worms, coccidiosis, or giardia, mites, or any other parasite – they are all too common - Including parvo, corona and distemper. Hypoglycemia is preventable and is not a genetic defect; therefore is not covered under this guarantee.

In the event a puppy dies within the three day period, a necropsy by a licensed veterinarian must be performed to determine the cause of death – at buyer's expense. A copy of the necropsy must be provided to the seller within three days of the necropsy/death of the puppy along with its paperwork – failure to do this will void this guarantee.

Breeder will not replace a puppy for any reason not related to a serious genetic life threatening illness. The seller will exchange the puppy for another one of the same sex, size, color and value if available. If seller has no similar puppies within one year, seller will refund the purchase price of the puppy.

This guarantee is void if the buyer fails to have the puppy examined by a licensed veterinarian within three business days of purchase. By purchasing a puppy, the buyer understands and agrees to all terms of this guarantee.

The Kennel Name "BC", must be used in the AKC Registration naming of this animal. This agreement shall be governed by the laws of the State of Florida to the exclusion of any other forum and constitutes the entire agreement between the parties.
