## COACH'S SPOTLIGHT

Please welcome Staci Imel, she is new to coaching team at Let It Shine. She was born in Pennsylvania, moved around as an Army brat, and ended up in Cookeville, TN in 2001, and been there since. Staci started gymnastics at the age of 2 and has never stopped. She was at Victory Gymnastics for 15 years. She went to Eastern Nationals her senior year and started coaching at that time. Staci has been a coach for about 5 years now.

Staci got her degree in Coaching and Sports Management from TN Tech. She is currently working on her Masters in Sports Administration at Belmont and will graduate next May. In her spare time, she loves to watch sports, craft and be outdoors.

As a gymnast, She loved the drive and determination it gave her to always better herself. She loved to accomplish something she had been working so hard towards. It always made her feel so graceful when she was up on the beam, flipping and dancing around on something that is only 4 inches wide. It almost made her feel like she was flying!

As a coach, she loves getting to share her knowledge and experiences with the children she coaches! Staci says she is blessed to still be involved with the sport she grew up loving. When she sees the kids faces when they accomplish something and then they look straight over at her with those smiles and the hope that they get a hug and "good job" is what she lives for. Every day Staci walks into the gym and can honestly say that she LOVES her job!

Welcome to the Team Staci!! We are grateful to have you!!
