Bulletin

We want to wish all of you Chag Sameach. Soon our community will be celebrating Chanukah. At its core, Chanukah is a celebration of freedom. When the Chanukah lights are kindled for eight nights of the holiday, we are reminded of how important it is to live free from religious persecution. In celebrating our freedom, we understand that we must be ever-vigilant to guard against persecution, whether it be based on religion, nationality, gender identity or race. Because of our history, we are keenly aware of the importance of insuring the safety and well-being of all people. May we all continue to work for a just society.

We wish you and your loved ones a holiday that is filled with love, peace, and good times.

ADVOCACY IN ACTION: NCJW BELIEVES IN SECOND CHANCES — AMENDMENT 4 PASSED!

Kudos to everyone who worked on passage of Amendment 4, restoration of voting rights to felons who have completed all terms of their sentences. Amendment 4 received more than the required percentage of votes. It was the position of NCJW that restoration was the right thing to do, according to our Jewish values. As a result, beginning in January 2019, about 1.4 million people will be allowed to register to vote, and regain their voice in democracy. NCJW took a stand, and our efforts will make a difference to many in Florida.

Next Advocacy Committee Meeting — ALL WELCOME!

The next meeting of the NCJW Advocacy Committee will be on Monday, December 17 at the Hagen Ranch Library, in the conference room, from 10-11:30 AM. Everyone interested in advocacy involvement — gun safety, sex trafficking prevention, reproductive rights, for example — please feel free to join the discussion. Any
