

The Philippine Consulate General in Vancouver would like to invite members of the Filipino-Canadian community in Metro Vancouver to participate in a survey on the creation of a Filipino Cultural Centre in Vancouver. The aim of the survey is to get a sense of your interest in a Centre, what it should look like, and what it should be able to offer in terms of facilities and services.

The survey is being conducted by Highlight Communication, a Diversity & Inclusion Content Strategy organization, which assures us that the survey is purely for information purposes and participants will not be advertised to or contacted afterwards unless they registered to join the focused group discussion.

The survey only takes 5-7 minutes to answer and ends on 14 February. We hope you will find the time to share your ideas for the Centre.
