

Marshall Redhawk 2022 Soccer Camps

Marshall High School Coach Hans Morgan, along with his staff and both current and former players, will be offering a camp this summer for soccer players of all ages. Age-appropriate instruction will be given to teach the fundamentals of soccer. In addition to the skill instruction, campers will also participate in numerous small-sided games and full sided games. The emphasis will be on skill development and enjoyment of the game. This camp will help campers be better prepared for their fall season and, ultimately, for success at the high school level.

**Camp Location – Verona Road Soccer Complex
Camp Fee Includes Camper T-Shirt**
