 RIGUP

The On-Demand Network for Oil and Gas

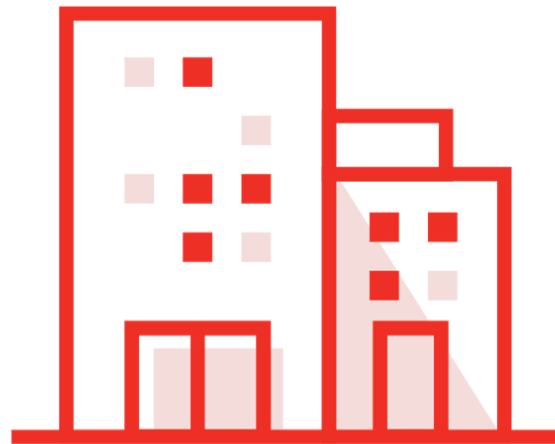

The RigUp On-Demand Network

Everything you need. 100% assurance.

The Current Environment

A fragmented network of brick and mortar contractor / staffing agencies

Brick and Mortar Firms

Growth can only happen by hiring more people.

Geography limits growth beyond region.

Uncertainty with certification of candidates.

FLSA liability placed on E&P companies.

Archaic operations cause high take-rate (~20%)

The RigUp Solution

A modern approach to independent contractors

Cost Savings

Rates 50% lower than brick and mortar consulting firms resulting in increased contractor retention.

Risk Reduction

Digital labor manager seamlessly tracks contractor compliance across any buyer criteria while also reducing FLSA risk (optional)

Network

Largest independent contractor network with on-demand sourcing workflow.

Retention Analytics

Leverage a dynamic dataset of rates and experience to better retain and optimize your workforce.
