

## Sweet Repeat Seller Information Sheet

### Seller sets the Price:

- seller receives 70% of their sales total
- general recommendation is to price items 25-35% of the original cost
- consider brand name, condition, and age of each item
- price reasonably to sell as much as possible on full price day
- consider 1/2 Saturday, especially if storing or donating after the sale, better 1/2 the money than no money at all.
- Boutique brands should be priced higher
- **items must be clean, in season for the current sale, have no holes, no pulls, no stains and must be a current style**
- all items will be reviewed before being accepted, please allow enough time for this process
- any item can be rejected for any reason while being reviewed
- any item that makes it to the sales floor with a defect will automatically be 1/2 off
- Questions???? Just ask. We are happy to help.

### **MOM's Corner:**

- shoes, purses, etc
- up to date, current style home decor and accessories
- small kitchen appliances (blenders, coffee pots, etc)

### **Hanging & Tagging Instructions**

- All items must be clean (no stains, holes, pulls, etc)
- Be sure items don't smell musty or smoky and NO pet hair
- All clothing must be on a hanger with the hook facing LEFT (they will look like question marks ? )
- Tags should be secured on the RIGHT side of all hanging items.
- Pants, jeans, and shorts must be hung by the waist band, safety pinned to the top of the hanger. being sure the full pant or short is showing.
- Shoes should be placed in a Ziploc bag together, taping the tags on the outside.
- Multiple books should be placed in a Ziploc bag with the tag taped on the outside.
- Toys and other equipment should be in working condition and include batteries.
- Wrap puzzles and games in plastic wrap and strong tape to secure. **DO NOT COVER THE TAG!**
- Tags are available on the website. If you choose to make your own tags please include the following information: Seller #, size, description, price \$\$, 1/2 off Saturday, Donating item after the sale. If this information is missing from the tag your item may not sell for lack of information.
- Please do not use red pens or paper it will mix up our 1/2 off Saturday discount markings.
- **ALL SELLERS** have the option to pick up hangers when they pick up their items at the end of sale.
- If you need more hangers before the sale check out: Peebles, WalMart, and dry cleaners, they give to those who ask.
- Pins are cheapest at the Dollar Tree.

## **Other Helpful Information**

- Placing items in outfits are more appealing to buyers.
- Pin items so they won't shift on the hangers.

### **Recalls**

- Check that your items have not been recalled: U.S Consumer Product Safety Commission's website.

### **Manuals**

- Instruction Papers, Manuals, warranties, etc attached to strollers, exersaucers, cribs, electronics, etc. are a bonus to buyers. The manufacturers website should have instructions that you could download.

### **Stain Removal Tips:**

- Grease stains: For dark spots on fabric, use dishwashing liquid. Rub into stain and wash as usual.
- Yellow stains: 1/2 cup dishwashing detergent (such as Cascade) with 1/2 cup of Clorox 2 (the pink liquid) in about 1-2 gallons of water. Soak the stained item in the mixture for several hours, then wash as usual. Works for other types of stains as well.
