EdgePlus™ Theft Protection

By Warrantech, An Amynta Group Company

Did You Know?

- 🛡️ A vehicle is stolen every 26 seconds.
- 🛡️ More than one million vehicles are stolen every year and most are never recovered.
- 🛡️ If you are lucky enough to get your vehicle back, it will likely require thousands of dollars in repairs on which you will have to pay an insurance deductible.
- 🛡️ 1 in every 10 U.S. consumers has already been victimized by identity theft.
- 🛡️ The average Identity theft victim spends 330 hours repairing their damaged credit.

EdgePlus™ Theft Protection can help by deterring professional thieves from making you their next target. The program utilizes a specialized etching process that makes your vehicle traceable by police. Plus, a fully managed Identity Theft Recovery Service providing you with your own personally trained advocate that will bring you back to pre-theft status.

Should your vehicle be stolen in spite of this effective deterrent, EdgePlus Theft Protection provides the following benefits:

- Up to \$3,000 if your vehicle is stolen and not recovered (deemed a total loss by your primary insurance company) PLUS up to \$2,000 replacement allowance toward the purchase of a replacement vehicle from the original selling dealer who sold you this plan.
- The program will pay an amount equal to your primary insurance deductible (maximum of \$1,000) for repairs* to your damaged vehicle if it is stolen and recovered within 30 days.
- \$1,000 travel allowance if your vehicle is stolen more than 200 miles from your home.
- \$1,000 airfare allowance if your vehicle is stolen more than 500 miles from your home.
- Up to \$500 rental car allowance.
- Fully managed identity theft recovery assistance should you become a victim of identity theft.
