FLEET SUPERVISORS!

Truck/Trailer in-school course...For apprentices...Few seats left!

Centennial College, in conjunction with the Ministry, have scheduled a Level I Truck/Trailer in-school course starting **October 24th for eight weeks** (ending December 16th). As of this writing there are a few seats left (the Truck/Coach and other programs are currently filled). If you have a truck trailer apprentice that is interested in getting into the first level of schooling, they should contact their Ministry Training Consultant and get on the list ASAP. The next Level I session will likely be the Fall of 2017...a year from now!

If they need more information, contact either one of our ATSSA Executive members who will do their best to assist:

John Dixon (jdixon@centennialcollege.ca) or call 416-289-5000 X7069, or

Al Thompson (athompson@centennialcollege.ca) or call 416-289-5000 X7254.

GENERAL MEETING – June 14th

We had a nice evening hosted by the [Abrams Towing](#) and by [Meritor Webco](#). Those that missed attending missed out on a great opportunity to gather information on the latest innovations affecting our industry.

Joey Gagne, President of [Abrams Towing](#), had Doug Nelson, Executive Director with the Ontario Recovery Group and the Provincial Towing Association of Ontario, review various aspects of Towing. Doug highlighted with some examples, the unseemly scenes that too often plays out between competing companies and the challenges encountered in his long time efforts to have resolved with the Ministry and other interested parties with influence; to make for greater fairness, efficiency and public perception. If you think you have some ideas that may assist Doug in his Towing cause, please contact Doug at: doug@ptao.org. [Abrams](#) also had some nice hand-outs as mementoes.

Laurence Shepherd, District Sales Manager then quarterbacked for [Meritor Wabco](#), when Ryan Hounslow, Territory Sales Manager, conducted a most interesting and informative overview of their 'OnGuardActive' Collision Mitigation System along with their 'OnLane' Lane Departure Warning System. Attached again for your immediate reference are brochures on these two systems: SP-15135 'OnGuardActive', and SP1335 'OnLane'. Nice job, Ryan! For more information please contact Laurence at: Laurence.shepherd@meritor.com.
