

CALLING ALL 5TH & 6TH GRADE PERFORMERS

We are looking for performers for the 15th Annual Mansfield Township Elementary School **Performing Arts Show** to be held on Friday, March 23rd at 7pm. The students will be performing as individuals or in groups of no more than four members. Due to the overwhelming response in years past, we ask that each performance be no longer than 3 minutes and each student is permitted in only one act. *Everyone that registers will be given a site to upload your music prior to the first practice.* The committee reserves the right to ask for a different song to be selected. Song selections and wardrobe must be in good taste.

In addition to performers, speakers are needed to host and introduce the acts. Interested speakers will be students who are not performing in the show. A script will be provided. The number of speakers needed is dependent on how many acts participate in the show. Speaking parts will be filled in the order permission slips are received.

In preparation for the show, we will have two rehearsals and one dress rehearsal on stage at MTES. Please check-in when you arrive.

- First Rehearsal - Wednesday, March 7th, Performers only. 5th grade at 6:30pm and 6th grade at 7:15pm.
