**8:00am – 4:30pm**

**NORA Certified for 8 CEUs**

**Instructor: George Lanthier**

**This seminar is for those who service and retrofit residential steam systems. Ideal for service technicians, installers and sales personnel. The seminar covers the correct replacement of steam boilers and the troubleshooting of piping problems, venting problems and the controls and wiring of residential steam systems while making them as efficient as possible using the latest installation techniques and control strategies.**

Two books, *Linhardt's Field Guide to Steam Heating* and our exclusive *Residential STEAM Workbook* are included. The books offer service technicians, installers and salesmen reference manuals that keep the engineering required in simple, easy to understand language and act as the class notes. Lunch is included.

**Tuition Fee is $175.00, Materials Fee is $130.00**
