## Issue date

25-Oct-2017

## Product number

bbs-10039

## Class

Crop Fertilizers and Soil  
Amendments

## Expiration date

01-Sep-2020

## Restrictions

Not applicable.

*Peggy Mians*

Executive Director/CEO

Product review is conducted according to the policies in the current *OMRI Policy Manual*® and based on the standards in the current *OMRI Standards Manual*®. To verify the current status of this or any OMRI Listed product, view the most current version of the *OMRI Products List*® at OMRI.org. OMRI listing is not equivalent to organic certification and is not a product endorsement. It cannot be construed as such. Final decisions on the acceptability of a product for use in a certified organic system are the responsibility of a USDA accredited certification agent. It is the operator's responsibility to properly use the product, including following any restrictions.
