PATTI STANLEY --- CHRIS STROOP

Patti Stanley, 22, New Carlisle, and Chris Stroop, 32, Kettering, were two of the three victims of a tragic slaying in a Beavercreek farmhouse sometime after 8:00 PM February 23 and the morning of February 24 when the victims were found.

Patti Stanley was a member of the Club Pub Spearchuckers in the Blue Division. Marty Baldwin, captain, expressed the deep shock of team members of the news. Marty regarded Patti as a reliable, punctual and personable dart shooter.

Chris Stroop was a member of Hanks Williams, who took first place in each of the three rounds in the Red Division. Mike Siney, captain of Hanks, and team members lost their co-captain and one of their best friends. Mike considered Chris a congenial, competitive darter who was a team player.

The DDA extends its deepest sympathy in these days of sorrow to the Stanley and Stroop families.

EDITORIAL

On May 15 you will be asked to elect officers and a board of directors for the DDA. This democratic process should not be construed as a simple matter to elect qualified people to administer and direct your organization. Careful consideration should be given to candidates who have the interests of the Association and who are willing to devote the time and effort to make it succeed and progress.

Your candidates should be knowledgeable of all phases of Association operations and be interested and participate in local, state and national darting affairs. Your candidate should be amenable to the wishes of his constituents and well aware of the welfare of the Association.

The proficiency of the administration and operation of any organized group, for a common cause, can be directly related to the administrative ability of its chief officer, whatever his title may be. The ability to be able to efficiently plan, organize and direct the programs, equipment, finances, or personnel, is a prime qualification for a chief officer.

This is a decision you will be required to make May 15. You have time to discuss this with your teammates, other darters, present officers or Board members, or prospective candidates for office. DO SO.

In order to help you make decisions concerning prospective Association officers, I would like to see a Standing Nominating Committee appointed to evaluate and present their recommendations to the Board for approval and election. In order to aid the membership in making a selection, the names of all candidates for office could be published prior to the election. You do have some responsibility in this organization, use it.

DAYTON DART OPEN APRIL 24

The Board of Directors established April 24, 1983 as the date for the Dayton Dart Open (DDO). Haer's Party House, Stop Eight Road, will again be the site of this year's DDO.

Dave Servis, Tournament Director, reviewed work and committee assignments and operational procedures. Dave is interested in hearing from darters willing to serve on these work assignments. Any member who is interested in helping, please give Dave a call at 435-5895.

The events of the day are listed on page 5. Trophies will be awarded to the first three places. A raffle will be held during the course of play. Beverages and lunch will be available at reasonable prices.

Your tournament committee has devoted a great deal of time and effort to organize a good tournament for your enjoyment. It is only proper a good majority of the shooters should be DDA members. Your participation toward the success of the DDO will determine the direction to take in future tournaments. YOUR SUPPORT IS NEEDED. Nothing would make your Tournament Director happier than to have a record turnout of Dayton Darters.

SEE YOU AT HAER'S on the 24th of April.

It was disappointing to the defending champions, Billy Nicoll Jr. and Dave Servis, who could not field a team. In defense of his title, Dave shot by himself but could not muster the fire-power necessary to win a match.

INTERCITY CHALLENGE TEAM TRYOUTS

Your Intercity Challenge Committee, Julie Sullivan, Chairperson, and Pat Roberts, have employed a bit of their dart ingenuity and mixed it with a dash of statistical calculations to arrive at a rating for the darting skills of participating darters. This rating will be aligned with all participating, and the top 16 men and 8 women will compose our FIRST TEAM.

The DDA is interested in darters to make up a team to play dart teams from other cities. Call Julie at 848-4545 or Pat at 433-3752 for further information.

EDITOR'S NOTE: On March 19 a number of darters embarked upon a tangible method of rating the skill of Dayton darters. Until a more proven or more infallible method is presented, let's back Julie and Pat on determining a rating system based on something other than, "I think . . ." Perhaps this may be the start of a long sought handicap system. I am positive this is a step in the right direction.

The procedure should not stop at the Intercity Challenge. I would like to propose this rating system be used to classify all darters in the DDA and each darter be given a classification. The rating then would be of value in determining the level of each shooter. Also, I feel this should be an annual requirement for all darters to be used for special teams representing the DDA and for placement in Division play. What do you think.....?
