ISA (D) Petroleum & Power Automation Meet 2018

The Indian Process Industry is now facing new Challenges as well as new Opportunities especially under the emergence of the new trends in the technology digitalization.

The field of Automation and Instrumentation Technology in the ENERGY SECTOR i.e. OIL & GAS and POWER segment is now trying to get maximum advantages out of the rapid advancements in the Information Technology and Operational Technology in many ways. Operators, around the world, are constantly seeking ways to maximize asset output while maintaining asset integrity in a cost-effective manner. The same international trends are also being put to best suitable use in the Indian electrical and control system design.

To share the common knowledge among both these Industry Segments and learn the various technology advances in the Oil & Gas as well as Power Segment, ISA-Delhi chapter (ISA-D) has taken a common initiative to bring the expertise from both these segments on one common platform of this MEGA EVENT in India. In order to bring together all the stake holders i.e. the automation users, manufacturers, consultants, EPC companies and academicians to facilitate contribution of latest information and expertise for OIL & GAS as well as POWER domain, ISA Delhi Section has planned to organize a Conference & Exhibition on 20th and 21st of April 2018 (Friday & Saturday) at Eros Hotel, Nehru Place, New Delhi. The "PETROLEUM & POWER AUTOMATION MEET-2018" symposium plans to facilitate high-level interface among all the decision-makers of Petroleum and Power industry, wherein the concerns and prospects will be conferred in-depth.

Like in the past, endeavors of ISA-D for "Users & Producers" started almost a decade back, we expect this time also eminent professionals from India's leading organizations will be attending this symposium, End Users like IOCL, ONGC, GAIL, IGL, HPCL, BPCL, IFFCO, Cairn India, Essar Oil, Reliance Industries, and EPC Companies like EIL, PDIL, Technip, Fluor, Bechtel India, Haldor Topsoe, UOP, CB&I, Petrofac India, Triune, Wood Group etc. are expected to send their delegates.

Similarly from Power Sector Domain, end users like NTPC, Tata Power, Reliance Power, NPCIL, PGCIL, JP Power Ventures, Adani, Indure, State Generation Utilities, Desein and EPC companies like BHEL, Doosan, Toshiba, L&T etc. are expected to participate.

Like in the past, this time also, we are confident that the forthcoming program would provide new concepts and insights for your business as well as professional needs.
