The Zachary Doherty Memorial Scholarship Fund will underwrite a scholarship in the name of our son, who deeply embraced a love of academics and music. Our intent is that his love will be passed on to other Lake School District students who exemplify the traits that so defined Zachary:

- A love of knowledge and learning • Participation in Band 'Music Program • Integrity, honesty and kindness towards others
- 100% of the funds for this scholarship will go towards helping Lake School District students in their continuing academic career

Zachary graduated summa cum laude from Lake High School in May 2014, where he was a huge part of the Blue Streak band family. He had been accepted into the University of Akron's Honors College, intending to enter the Corrosion Engineering program. Zachary loved going fishing and shooting with his dad and brother. He loved computers and games, especially LAN parties with friends. His fun and easy personality brightened any room, and while Zachary will be missed by all who knew him, this scholarship not only will honor his memory but bear his legacy into perpetuity.
