

## Marsh Family Medicine PLLC, Pharmacy Preference

With the installation of our new electronic medical record system, at this practice, your doctor is now able to e-prescribe. This means that any prescriptions the doctor may give you today will be automatically routed to the pharmacy of your choice and we will no longer have to provide you with handwritten prescriptions. In addition, when you run out of refills on your medication, the pharmacist can now electronically send renewal request to this office for approval. \*\* Note: Controlled medications are not eligible for e-prescribing.
