**Kaweah Softball** is entering our fourth season in Visalia. Our non-profit organization seeks to create and develop leadership in our community's young women, both on and off the field. Kaweah Softball seeks to make our program an avenue for each girl to grow to their fullest potential in fast pitch softball and to have fun, too. We shall build upon our success last year and continue to focus on our mission of teaching character through softball. Kaweah Softball will be Visalia's premier youth softball program, but we need your help. If you are a parent, guardian, adult, local business or a corporation who wants to contribute to our program, please fill in your information below and let us know which sponsorship you are interested in:
