President's Message #4

October 2021

Happy Halloween!!

I want to start off by saying SORRY. I feel that I have put off my duties as Grand President and I want to tell everyone sorry and that this will not happen again. September was a rough month for me and I am hoping that October will be better.

We did get some sad news that our Grand Inspector had to resign due to some personal issues. So, I have asked Past Grand President, Shirlee Frias to fill in as inspector and she happily accepted. That being said, Presidents, please look at the email that I previously sent about your monthly meetings and please respond, ASAP.

This part is for my chairman. Please get your promos in on time and for those who haven't done one yet, please get in at least 4 before the end of the year. Below is a list of this year's chairman, just in case you forgot who you all are:

Hospital – Shirlee

Scholarship – Janet

Membership – Lee Ann

Ways and Means – Dominique

National Home – Kandy

SPSP – Jeanette

GPSP – Penney
