

The October 28, 2019 Green Space Committee Meeting was called to order at 10:00AM by our President, Margaret Williford. Those in attendance were Sandy Komasinski, Barbara Vanecko and Ausra Zarins. Joan Solbeck joined us by audio connection. Our Town Council Liaison, Matrona Malik, was absent.

Once again we had a short agenda.

Margaret has not heard back from the person who previously contacted her about donating three lots to Green Space.

We discussed outreach to the community at the time of Beverly Shores residents' second property tax installments due in November.

Barbara continues to be in contact with the North Carolina person who is working on her donation concerns.

The Plan Commission is working on outreach to the community. With a new survey, they are trying to ascertain residents' priorities for the town for the future. When the Commission completes their report and presents it to the Town Council, we will be interested in their findings concerning our Green Space mission.

We will also be interested in the outcome of the Town Council November elections.

The next meeting of the Green Space Committee will be held on Monday, November 25th, at 10:00 AM in the Administration Building.

Our meeting was adjourned at 10:30 AM.

Respectfully submitted,
Barbara Vanecko
