Case History : Thomas Brown was last seen pumping gas at a local fuel station in the City of Canadian, Texas at 11:40 p.m. on November 23, 2016. He was driving a red Dodge SUV which has been recovered at a remote location just inside the city of Canadian, Texas, city limits. Missing from the SUV were his keys, wallet, cell phone, and laptop computer. Investigators believe that there is a possibility that Brown's disappearance may have been at force – or currently forcible detention.
